FOR
1979

TOWN OF EASTON

Incorporated	December 21, 1725
Area of Town	29.04 square miles
Population	13,109 (1975 State Census)
Form of Government	Town Meeting
Total Assessed Valuation as of January 1, 1979	$197,663,880
Councillor – First Bristol District	John Britland, Fall River
Senator – First Bristol District	John F. Parker, Taunton
Representative in General Court – First Bristol District	Leon J. Lombardi, Easton
Representative in Congress – 10th District	Margaret M. Heckler, Wellesley
United States Senators	Paul E. Tsongas Edward M. Kennedy

SCHOOL BUDGET FOR 1980-81

The budget development process, for the Easton schools, begins shortly after the beginning of school in September. All budget requests were submitted to the Superintendent of Schools by mid-December, when an extensive review began.

The FY81 preliminary budget was presented to the School Committee in time to start their review on February 4, 1980. Thereafter, weekly budget sessions were held until April 22, 1980, when the budget was approved for presentation to the Finance Committee, which took place on April 23, 1980. A public hearing on the budget was held on April 28, 1980, in the auditorium of Oliver Ames High School. During the entire review process, the school budget was reduced by approximately $350,000.

Three-quarters of the total budget is allocated to salaries, and through collective bargaining and negotiations reasonable pay increases have been granted, resulting in a budget increase of approximately 6.3% over last year. Increasing costs of fuel and electricity coupled with increases in special education and the need to bid a new school bus contract has resulted in an additional 6.1% budget increase. All other increases in the budget have been held to approximately 1% in spite of the fact that the prices of major purchases of paper products and other supplies have increased approximately 25%.

Expanding communities, such as Easton, are finding it impossible to budget in accordance with the Governor's 4% cap plan and still meet the increasing needs of the citizens.

To further reduce the school budget could result in a serious compromise of our commitment to educate our youth to face the future challenges of society.

Please come to the Town Meeting and support the school budget.

OF THE

TOWN OFFICERS

OF THE TOWN OF

EASTON

INCORPORATED 1725

FOR

1979

IN MEMORIAM

ELISE A. PARKER

Easton gratefully remembers a generous citizen
whose love of nature,
concern for the education of our children,
and devotion to the welfare of the community
have greatly contributed to
the preservation and improvement of the Town.

WINIFRED CUNNINGHAM
FRANK SARGENT
HARRY J. D. SUNDELL
E. FRANK ATWOOD

With deep gratitude, the Town of Easton
recognizes the services of these dedicated citizens
who gave of their time and performed their work
with enthusiasm and pride.

TOWN OFFICERS
1979 - 1980

	Term Expires
MODERATOR — Richard Dailey	1982

DEPUTY MODERATOR — John A. Keach, Jr.

SELECTMEN

James D. Mullen, Jr.	1982
Richard W. Martin	1982
Donald E. Anderson	1981
Lawrence M. Douglas	1980
Judson C. Walton	1980

TOWN ADMINISTRATOR — Richard T. Howe

ASSESSORS OF TAXES

John A. Keach, Jr.	1982
Frederick J. Meade	1981
Willis G. Buck	1980
A. Edna Cram, Asst. Assessor & Executive Director	

TOWN CLERK — Esther C. Anderson

TREASURER AND COLLECTOR — Esther C. Anderson

ASSISTANT TOWN CLERK — Janet T. Andrus

SCHOOL COMMITTEE

Leo D. McEvoy	1982
Richard E. Hall	1981
Robert Nisenbaum	1981
Norman A. Anderson	1980
Joseph F. Scowcroft, Jr.	1980

SUPERINTENDENT OF SCHOOLS — John T. Farrington

ASSISTANT SUPERINTENDENT OF SCHOOLS — Andrew Miller, Jr.

TOWN ACCOUNTANT — S. George Lowndes — Retiring March 31, 1980

TOWN ATTORNEY — Martyn H. Lincoln

DEPARTMENT OF PUBLIC WORKS — Roger A. Hill, Director

SUPERINTENDENT OF STREETS — Fred L. Reynolds

TREE WARDEN & SUPERINTENDENT OF MOTH WORK and BUILDING AND GROUNDS DIRECTOR — Daniel B. Amorim

SUPERINTENDENT OF WATER DEPARTMENT — George A. Newman

CHIEF OF FIRE DEPARTMENT AND
FOREST WARDEN — C. Robert Mitchell

CHIEF OF POLICE — Walter Healey

CONSTABLES

Gene A. Blood	George E. Mather	Alliston S. Ray

DOG OFFICER — Frederick C. Rego

SEALER OF WEIGHTS AND MEASURES — Barry L. Woodworth

VETERANS' AGENT — Richard J. Kent

ANIMAL AND MILK INSPECTOR — John D. Melin

CIVIL DEFENSE

Donald S. Winship, Jr. — Director
Leonard F. Buck — Asst. Director

BUILDING DEPARTMENT

Joseph V. Marinaro — Building Inspector and Zoning Enforcing Officer
Waldo Cruickshank — Asst. Building Inspector
John A. Pires — Deputy Building Inspector

WIRING INSPECTOR — Albert M. Greiner

GAS INSPECTOR — Robert Govey

PLUMBING INSPECTOR — George E. Sawyer

REPORT OF THE WATER DIVISION

To the Honorable Board of Selectmen:

I respectfully submit the following report and pumping record for the year 1979.

MONTH	STATION 1	STATION 2	STATION 3	STATION 4	GALLONS PUMPED
January	1,641,400	17,876,300	13,573,300	5,098,700	38,189,400
February	3,916,200	13,698,700	12,792,000	5,637,000	36,043,900
March	1,557,500	12,891,000	14,192,000	10,832,700	39,473,200
April		15,908,400	13,642,000	11,473,300	41,023,700
May	14,165,800	12,952,400	14,326,000	6,628,800	48,073,100
June	19,699,400	13,322,400	13,910,000	7,664,100	54,595,900
July	17,489,600	12,593,900	14,349,000	8,667,900	53,100,400
August	16,705,500	4,853,600	14,193,000	5,542,100	46,294,200
September	19,599,200	7,956,500	13,325,000	4,355,000	45,235,700
October	18,626,100	8,751,000	13,492,000	3,485,000	44,354,100
November	18,041,900	2,495,000	13,299,000	8,654,400	42,490,300
December	20,018,600	3,050,400	13,897,000	7,215,800	44,181,800
Totals	151,461,200	131,349,700	164,990,000	85,254,800	533,055,700

The greatest amount of water pumped in one week was during the week of June 24th when 14,889,200 gallons were pumped.

The greatest amount pumped in one day was 2,487,100 gallons on July 14th.

We connected 114 new water services during the year. Our total active services is now 3,946. The Water Division had 38 service leaks this year, these had to be dug up, replaced or repaired. The department also answered 1,531 calls.

Our replacement of meters and remote readers has been delayed because of lack of funds and man power. This year we hope to get the project going again. This should increase our revenue because the old meters that have slowed down and the stopped meters certainly do not generate the revenue that a new meter will.

All the new mains installed in 1978 are now in operation. A new 8" main was put in on Beatty Lane, Olivia Road and Water Street. 2 new hydrants were installed for added fire protection for that area. Also we installed a section of new main from the end of Pheasant Lane to Clark Hill Drive. All these loops and tie-ins help in fire protection.

The Water Division had 11 hydrants hit by vehicles that had to be replaced. Most of these were paid for by insurance money. Six hydrants were repalced in the system and 4 new hydrants were added.

Broken water mains kept us busy again this year, but this has to be expected in a system that is almost 100 years old. We had one-4" main break, two-6" main breaks, three-8" main breaks and one-12" main break.

Our telemeter system was brought up to date and 2 of our gravel packed well pumps were pulled and overhauled. Our standby motors in Stations 1 and 2 have to be changed from gasoline to propane and Station 3 has to have a standby engine installed. This station has never had a standby engine.

I was unable to be as active as I wanted to be this year, because of an operation. I am very happy that I had Wayne Southworth who did an outstanding job in keeping things operating as they should. Mr. Southworth and D.P.W. Director Roger Hill had quite a few things to do especially pulling the 2 wells and making sure we had adequate water in the storage tanks for fire protection.

We have compiled a report from the Water Division to the Town's People to explain some of our problems and also the long range capital needs of the Department.

I wish to express my thanks to Director Roger Hill, Tree & Building & Grounds, Supt. Daniel Amorim, Highway Supt. Fred Reynolds, the Easton Civil Defense, Chief Mitchell of the Fire Dept., my own men the department, Wayne Southworth, Raymond Keyes, Chris McKenna and all the men of the D.P.W.

Respectfully submitted,

George Newman, Superintendent

REPORT OF THE CEMETERY COMMISSION

To the Citizens of Easton:

The cemeteries of the Town were maintained by mowing, filling in sunken graves, making repairs to gravestones and general maintenance.

The following cemeteries were surveyed by the D.P.W. engineers and recorded in the Registry of Deeds in Bristol County seat in Taunton, Massachusetts; namely, Veterans' Cemetery on Church Street and the Bay Road Cemetery on Bay Road.

The Commission is making a study to install bronze plaques embedded in stone for all the cemeteries in Town which will denote the historic significance of all the cemeteries.

The Commission hopes that the balance of the quantity of cemeteries will be completed for surveying and recording in the Registry of Deeds in the near future.

Respectfully submitted,

Oscar Peterson, Chairman
William Leahey, Associate
Edward A. Cedarholm, Alternate

REPORT OF THE HIGHWAY SUPERINTENDENT

To the Honorable Board of Selectmen:

I respectfully submit the following report for the year 1979.

The following streets were stone sealed: Western Avenue, Harrison Avenue, Dailey Avenue, Gardner Road, Beech Tree Lane, Ridgewood Road, Birch Road, Willow Road, Eisenhower Drive, Grant Road, Coolidge Circle and Wilson Drive.

The following streets were sand sealed: School Street Extension, Allen Road, Poquanticut Avenue from Rockland Street to the power line.

Three thousand (3,000) feet of Chestnut Street was resurfaced with road mix.

The following streets were paved with road mix: Prospect Street from the Black Brook to Foundry Street and Olde Farm Road to Bay Road, Highland Street from Foundry Street west approximately one thousand (1,000) feet. The drainage trench at the Wright Farm on Bay Road was also paved with road mix.

Arthur Road has been completed and was paved with Type I mix as well as the parking lot at the North Easton Grammar School.

The following streets were paved with Type I mix: Bay Road from Rockland Street to Lincoln Street, Central Street, Columbus Avenue from Center Street to Sheridan Street, Bay Road from the 5 Corners to Highland Street, Cross Street and Lincoln Street from the Rockery to the Town Pool entrance.

Closed drainage systems were installed as follows: Bay Road from the Wright Farm to 469 Bay Road and then to Mulberry Brook, and also on Cross Street.

Catch basins, culverts and drains were cleaned and repaired as needed.

Roadside clean up has become an endless job and with the lack of personnel we have to limit the clean up to one day per week.

During the winter we have worked at the landfill hauling and spreading cover material.

During the winter months road and sidewalks were plowed and sanded as needed.

I wish to thank the Director of Public Works, Superintendents of the Tree and Water Departments and Highway personnel for their cooperation during the year.

Respectfully submitted,

Fred L. Reynolds, Highway Superintendent

REPORT OF THE
TREE, BUILDING AND GROUNDS SUPERINTENDENT

To the Honorable Board of Selectmen:

I respectfully submit the following report for the year 1979.

In May sixty-five trees were planted in various areas of the Town. Sugar Maples, Pin Oaks, Emerald Queen Maples, Red Maple and several Flowering trees.

Trimming of dead wood and the removal of dead or dying trees continues throughout the town. Sugar maples are the largest percentage being removed with fifty-two sugar maples taken down and thirty-four shade trees of other species were also removed. High winds in September and the late fall destroyed eight shade trees that had to be removed along with the pruning of other damaged trees.

Eleven trees were posted for hearings of removal. There was objection to removal of one tree. All others were removed.

Wild cherry trees and brush was cut as time permitted.

All elms were sprayed with Methoxychlor to control elm bark beetle during April and May. Sampling of suspected elms were taken for D.E.D. and specimens were sent to Massachusetts Shade Tree Laboratories for analysis. Trimming of diseased portions was accomplished on confirmed diseased elms if at all practical. Otherwise all diseased elms were removed.

Poison ivy eradication was done for all who requested this service as were road sides. Spraying with herbicide to control growth was also done along sidewalks and curbings.

Gypsy moth was again a big problem. The reports we had of nucleoploy hydrois virus attacking the gypsy moth larvae and creating a decline in the larval population of Easton didn't appear with much strength. Approximately 1800 acres (roadside acres) were sprayed on May 31st by helicopter using 1 quart of Sevin oil per acre. Areas (roadsides) not sprayed by helicopter were done by our mist blower using Sevin and water. The aerial survey conducted by the State Bureau of Insect Pest Control under the D.E.M. shows a larger area of defoliation. It is not complete defoliation but defoliation nevertheless.

We were unaware of oak leaf tier caterpillars building up in red oaks and we had a severe infestation on several hundred acres. We are still investigating for control measures that will be satisfactory through the State Bureau of Insect Pest Control and the Field Station. Lecanium scale was sprayed the middle of July with Diazinon. The control of Aphids was done as needed. Fall web worm continues to be a VISIBLE pest but no control measures were taken as spray from the mist blower is unable to penetrate the nests.

The installation of combination storm doors and windows at the Town Office was completed in early fall. The attic in the Civil Defense building was completely insulated. The heating system boiler had to be replaced this year in the Civil Defense building. We had anticipated putting it off for a year but after inspection this was not feasible as the danger of blowing up was evident.

A new roof was built on pumping station #2. Styrofoam insulation was put into all four pumping stations. Painting of interiors and replacing broken glass and reglazing of all windows was also completed at all pumping stations.

The central air conditioning system at the Police-Fire complex has been a major problem over the years. Expensive repairs in 1978 did not remedy the situation. As summer of 1979 made its debut, estimated repair costs turned us to the use of individual air conditioners. Nine air conditioners were purchased and installed at the Police-Fire complex. These can be adjusted as the need arises unlike the former central system. An electric hot water heater was positioned for the Fire department and one for the Police department. This enables us to shut down the main heating plant for the summer periods. Thermostats with locks were installed to control the five heating circulators that were previously in continuous use 24 hours a day during the heating season.

A temporary wood stove had to be placed at the landfill building. The gas burner is beyond repair and is in need of replacing.

Vandals continue to do their thing at the swimming pool and Militia Park. The right field chain link fence at Militia Park has been completely destroyed. Several attempts on repair have been all for naught. Docks & kick boards, doors, windows and equipment had been damaged and repaired at the swimming pool before and during swimming season. At last inspection more of the same plus damage to the meter board diving stanchion. Someone handy with a plumber's pipe cutter cut out several sections. Hopefully all will be repaired or replaced for swimming classes come spring.

Cemeteries and public areas were cleaned of debris in early spring. Gravestones were straightened and repaired as needed. A growth retardent was applied to several cemeteries after the first and/or second mowing to control growth and eliminate several mowings. Other cemeteries were mowed in normal sequence as check areas. It appeared to control growth with the exception of scattered weeds or areas missed in the spraying application, for approximately six weeks. It is intended to expand this program this coming year. All fields used for little league or soft ball were mowed as needed.

I wish to thank the Director of Public Works for his guidance, Division heads, their personnel and the personnel in my department for their help and assistance throughout the year. All CETA personnel ended their tours in July, their efforts were appreciated by this Division.

Respectfully submitted,

Daniel B. Amorim
Tree, Building & Grounds Superintendent

AMES FREE LIBRARY

To the Honorable Board of Selectmen:

I herewith submit my report as Librarian of Ames Free Library of Easton, Inc., for the year ending December 31, 1979.

During 1979, 1,615 books were added to the library, 1,037 of them in the adult collection and 578 in the juvenile. Library holdings amounted to 48,552 at the end of the year.

The circulation of 60,203 books and other library materials showed that the library was well used, with 33,441 of these items in the adult section and 26,762 in the children's room. The figure of 1,545 library card registrations, which was 210 larger than the 1,335 of the preceding year, is another indication of community use of the library.

Library milestones throughout the year included an increase of library winter hours from 40 to 44 and the opening of the library during supper hours all year around, the Summer Reading Club on the theme of Energy Conservation with an attendance of 38 children, and, in order to conserve energy, the installation of modern storm windows in the William Hadwen Ames Memorial Children's Room by Mrs. William Hadwen Ames, donor of the children's room in 1931.

The library, which was the gift of Oliver Ames II, was erected in 1883 by H. H. Richardson, famous American architect. This past year, tourists and art students from all parts of this country and from Europe continued to visit this noteworthy architectural site.

Respectfully submitted,

Margaret M. Meade, Librarian

1980 ESTIMATED INCOME AND EXPENSES

Expenses			$85,500
Income:	Investments	$63,000	
	Town Aid	10,000	
	State Aid	4,900	
	Fines	2,600	80,500
Deficit — to be paid from Free Cash in Savings Accounts			$ 5,000

Douglas D. Porter
Treasurer

REPORT OF THE CONSERVATION COMMISSION

To the Citizens of Easton:

In 1979 the Town added 9.5 acres to its conservation land. A gift of 5.5 acres of wetland off Briarwood Road was accepted from Dodd Enterprises and a gift of 4 acres near Flyaway Pond was accepted from Esther Conant and Ruth Delpino. At the annual town meeting it was voted to acquire two parcels containing a total of 28.5 acres adjacent to Wheaton Farm for conservation purposes. This acquisition is now being completed.

The Commission continues to work with the Chemical Spray Advisory Committee evaluating pertinent information to forward to town meeting. The Queset Brook Advisory Committee and the Commission continue to work together to protect the valuable Queset Brook Corridor with its irreplaceable water resources and scenic beauty.

The Commission has started a cooperative effort with Project-Do Care at Oliver Ames High School and the Bristol Soil Conservation District to improve the trail system and entrances to conservation areas throughout the Town. A new sign has been placed at Wheaton Farm near the barn. The attractive sign was made by Roger McNamara of Borderland and partially financed by the N.R.T. of Easton. The barn at the farm has been inspected for necessary repairs and a maintenance schedule is being proposed to protect this scenic barn on historic Bay Road.

The enforcement of the Wetlands Protection Act (WPA) continues to take much of the Commission's time. The hearings for 1979 numbered nineteen (19). Next year the Commission faces three (3) large developments with over 280 house lots which include extensive wetlands.

At the special town meeting in October, the Commission proposed a Wetland By-Law which would allow the Town to have more local control of the wetlands development and protect the Town in the event the General Laws Ch. 131, Section 40 is weakened. Town Meeting lacked quorum so the issue was not addressed. A new article will be submitted in 1980 to give the townspeople an opportunity to vote on this issue at the 1980 Town Meeting.

The Commission wishes to acknowledge the diligent work of Ruth LeGrow, who was secretary of the Commission from 1975 through 1979. Her understanding of conservation issues and efficient secretarial skills were much appreciated.

Sadly we wish to mention the death of Elise Ames Parker, a true friend of the people of Easton. Mrs. Parker was a strong backer of conservation. She was involved in the gift to the Town of Picker Field and the Parker Reservation, and she was a generous financial and moral supporter of all conservation projects. Probably her most important contribution to the Town is her involvement with Sheep Pasture, her childhood home. Here the children of Easton learn about man's dependence on the land through outdoor experience.

Our thanks to all departments who assist us in our work particularly Roger Hill, Director of the DPW, and Jim Thompson for their expertise in engineering, which are most important enforcing the WPA.

Respectfully submitted,

CONSERVATION COMMISSION
John E. Grant, Chairman
Alice B. McCarthy, Vice-Chairman
Charles L. Hattaway, Jr.
Robert J. Murphy
M. Shepard Williams

REPORT OF THE COUNCIL ON AGING

The year 1979 was again a busy and fruitful year for the Council on Aging. Several changes have taken place within the Council's daily operational structure, as we strive for greater efficiency in dealing with, and increased availability for, the Town's Senior Citizens.

The Council Office now has the services of a full-time secretary. This in itself, an obvious asset.

A new Senior Shuttle Bus was put into operation. This new bus, which is wheelchair equipped, holds 19 passengers. The bus, more than any other single item, has allowed us to assist a greater number of individuals with their basic needs.

We are lucky to have the services of Edna Mielde, our Senior Aide, who helps with several situations, including the distribution of the Vial of Life.

The Council wishes to express gratitude to those people who have been so generous with their time. Without the kind, unselfish acts of a few ''very special people'', some of our programs would not exist: the daily lunch program at Parker Terrace, the distribution of the newsletter, the Christmas Dinner given by the Knights of Columbus, the Senior Spring Festival.

To these people, thank you for caring.

Respectfully submitted,

Kathy Laverty, Director
Robert Keefe, Chairman
Gregory Tanana, Vice-Chairman
Mary Scully, secretary
John McGarry, Treasurer
Helen Sickles, Member
Carl Hanson, Member
Paula Noonan, Member

NORTH EASTON BUSINESS DISTRICT ADVISORY COMMITTEE

Appointed by the Board of Selectmen and advisory to the Planning and Zoning Board, the Committee spent the first half of 1979 working with David A. Crane Partners, of Boston, consultants to the Town on the revitalization of North Easton's business district. A well-attended public workshop in January provided considerable citizen in-put for the consultants as they prepared their plan. The Consultants focused on five objectives: creation of links between historical areas; provision of open spaces; improvement of the appearance of Main Street; rehabilitation of buildings; and traffic and parking improvements.

Crane Partners submitted a preliminary revitalization plan in March. But, the Committee asked that it be re-written to more clearly indicate the ways by which the objectives Crane advocated might be carried out by private enterprise and by the Town. An improved version of their plan was accepted by the Committee in July. Though more generalized than the Committee had wanted, the consultants' plan did identify basic needs and ways of meeting them.

The Committee acts as a clearing house for information (all meetings are public) and tries to stimulate individuals and private and official groups to work for the improvement of North Easton. The list below of accomplishments or plans of townspeople during 1979 in three areas of concern to the Committee is the best indicator of the effect, usually indirect, that we have had so far:

Business Revitalization:	Re-habilitation of 122 Main Street for business use. Plans for others to do the same.
Historic Preservation of Buildings and Landscaping:	External restoration of buildings. Use of a restoration architect. Plans by several organizations to develop historical trails and landscaped links.
Public Works:	Construction by Department of Public Works of Mechanic Street parking lot, with provision for a sewage treatment facility. Construction by Department of Public Works of an access ramp from parking lot to Main Street, to the designs of an architect and landscape architect. Planned imposition of parking limits on Main Street and off-street parking. Planning for improved Main Street roadway, without altering special character of the village.

Our realization that no comprehensive plan for the business district could be put into effect soon has been frustrating. However, the Committee has encouraged citizens to make use of federal and state funds for business revitalization and building rehabilitation and restoration, realizing that, rather than one taking precedence over the other, economic and physical improvements must go hand in hand.

Working with individuals and with private organizations and Town committees, we look forward to causing further progress toward our linked goals of economic revitalization and preservation of North Easton's special architectural and landscaped heritage.

REPORT OF THE EASTON HOUSING AUTHORITY

To the Residents of Easton:

The Authority's 144 elderly housing units and 3 family units have been tenanted for the entire calendar year of 1979. Occupancy waiting lists number over 100 persons. The Office of the State Auditor performed an audit of the Authority's books in April of 1979. Their finding noted conformance with State procedures. The Authority appreciates the efforts of the Town and its citizens for their continued support of current and planned housing programs in the Town of Easton.

Respectfully submitted,

Robert E. West Jr., Chairman
June H. Brousseau, Vice-Chairman
Lewis N. Aries Jr., Treasurer
Howard L. Chandler Sr., Member
Donald Meade, Asst. Treasurer

REPORT OF BOARD OF HEALTH

To the Citizens of Easton:

In compliance with the General Laws of Massachusetts, it is our pleasure to herewith transmit to you a summary of the work done under the jurisdiction of this Board for the year of 1979.

At the annual election in May, George Luke was re-elected. At the organizational meeting, Donald F. Craig was re-elected Chairman. Other appointments made by the Board include: Plumbing Inspector George E. Sawyer, Assistant Plumbing Inspector Robert F. Govey, Health Agent Everett W. Ericson, Milk Inspector and Inspector of Animals Linda Flaherty (resigned), John D. Melin (appointed September) and Agent for Burial Permits and Dangerous Diseases Mary P. Connolly. The garbage contract is in its second year with Manuel Soares of West Bridgewater. Laboratory Services as needed are provided by Oliveria's Laboratory. Annual contract with the Easton Nursing Association, Inc. was executed July 1, 1979.

Easton enjoyed a relatively healthy year in respect to diseases. Diseases reported to the Board included: Dog Bites, Cat Bites, Snake Bite, Gerbil bites, chicken pox, mumps, Infectious Hepatitis, Scarlet Fever, Streptococcal Infections, Scabies, Meningitis, Gonorrhea, Syphilis, Salmonella and Influenza;

The annual report of the Easton Nursing Association, Inc. is on file with the Board of Health. The Town is most fortunate in the quality of services provided by this organization and their nurses and dedicated volunteer Board of Directors.

Plumbing Inspector George E. Sawyer reports that 207 permits were issued in 1979.

During 1979 samples of milk were collected from local and out of town dealers who sell milk in Easton as well as from the schools and restaurants. These samples were tested and notices sent. All those involved with milk distribution in Easton were licensed.

During the year inspection of all dairy cattle, dairy cows, horses, ponies, sheep, swine and beef cattle were inspected by the Inspector of Animals. Animal bites were followed up and the animal quarantined for the ten day period required by Law.

Many inspections were made under Article I, II, IV, VI, VII and X of the Massachusetts Sanitary Code. The necessary follow-ups were made. Many inspections were made to insure compliance with Title 5 of the Environmental Code.

Death Certificates of all persons who died in Easton were certified, burial permits issued and filed with the Town Clerk. Premature births reported to the Board had the necessary follow-ups made.

The Board and its staff continue to attend many seminars, meetings and classes to keep abreast of the State laws and regulations.

The annual rabies clinic for dogs was held in April. Dr. William Lloyd was in charge and the cooperation of the Dog Officer and the Director of Public Works and the Inspector of Animals was appreciated.

The Board continues to participate in other clinics and screenings throughout the year.

Permits issued by the Board include: Funeral Homes, trailer park, day camp, campground, non-alcoholic beverage manufacture, to keep swine, to transport offal, disposal works construction permits, installers, food service establishments, mobile food service establishments, massage, milk, plumbing and to operate swimming pools.

Up-to-date immunization requirements for foreign travel are kept at the office, and health certificate for passports may be obtained and validated at the office.

The Board works closely with local, regional and state agencies in a continued effort to safeguard the Town and the Townspeople in the matters of Public Health. The Board appreciates the cooperation of the other agencies in Town.

Respectfully submitted,

Donald F. Craig, Chairman
Herbert L. Everett, M.D.
George M. Luke

REPORT OF GAS INSPECTOR

To the Honorable Board of Selectmen:

I hereby submit my annual report as Gas Inspector for the Town of Easton.

For the year 1979, 225 permits were issued for gas installations.

This is an increase of 129 permits over the previous year.

Most new houses and conversion burner installations require 2 inspections. The new Stonehilll College Science Building required 11 inspections, resulting in a total of 305 inspections.

Respectfully submitted,

Robert A. Govey, Gas Inspector

REPORT OF THE FIRE DEPARTMENT

To the Honorable Board of Selectmen:

I herewith submit the Report of the Easton Fire Department for the year ending December 31, 1979.

During this period the Department responded to 2556 calls; 1682 for apparatus and 874 for ambulance. This was an increase of 277 for apparatus and 60 for ambulance over the previous year.

We are now in a position of having to replace two pieces of apparatus at approximately the same time as we did in the year 1956. Only by replacing equipment on a regular basis of 20 years and keeping a good preventive maintenance program can we hope to have our apparatus serve us well. I am requesting the replacement of a 30 year old piece of equipment with a new Class A Engine. The 1956 Ford Combination has been a first-line piece of equipment for many years and has had major engine problems in the past. This truck is now being used for extra work due to the 1949 Ford truck being out of commission and will most likely not be repaired because of its age and availability of parts.

More personnel is needed by the Department. At the present time we have only five regular firefighters on duty divided between two stations. These men work four shifts and a forty-two hour week. One ambulance call or minor fire call wipes out our entire on-duty manpower force. If another call or emergency arises, we have to rely on off-duty and call men to report to duty. All call firefighters work full-time, mostly out-of-town. Some off-duty regular firefighters have part-time work and are unavailable.

The population at the December, 1979 census stated that we have 15,500 people living in the Town of Easton. Stonehill College has another 2300 plus people within their campus. We also have to take into consideration the number of students in our regional Highschool plus the other citizens that travel our three major roadways, Routes 138-123 and 106. The apartment houses, condominiums and housing developments built recently have outgrown the protection we can give them. Many added road miles is another factor.

Our ambulance service, which is considered the best in the area, is finding it difficult to properly do the job it is trained for. The increase in vehicle accidents, elderly sickness, home, school, athletic and industrial mishaps, keep our ambulance going night and day.

Every year the fire calls increase, every year the ambulance calls increase, every year the demand for our services in other areas increase. We cannot maintain our present "stretched thin" protection program and satisfy the demands for service in our community. Insurance underwriters' reports use the "good rule of thumb", one on-duty firefighter per one thousand population ratio. To meet this goal we have to institute a program of additional men to our force now and also in the near future.

Our present ambulance has paid for itself time and time again in the saving of countless lives and aid, care and maintenance of the sick and injured people of this community. This vehicle is in need of repairs at a very high expense. We must replace it this year and use it as a back-up ambulance.

We are now in the process of extending our fire alarm program to bring protection to the outer sections of the Town where the greater concentration of population is locating and building.

Much of the equipment used by the Fire Department is old and out-dated and parts, if found, are at a premium price. Needless to say, this is due to the tough and rugged use the equipment receives in our line of work. I am requesting an increase of funds in this area in order to provide an overall smooth operation of maintenace and repair.

As I have mentioned in previous reports, we must extend our water mains to streets not covered and increase the size of the mains along Route 138 and place hydrants on these mains. Another tank should be placed in the Unionville area.

For too many years the people of Easton Furnace and Poquanticut sections of Easton have been denied ample and professional fire protection. Not too many years ago these areas of town were rural and some places remote. However, a building boom and increase in population in these areas is now present. Many elegant and expensive homes along with high-density population in apartment houses and condominiums. Shopping centers and light industry has also multiplied in this area. I am asking for a study and report on a future Furnace Village Fire Station in order to update the fire protection in this growing area of Easton.

Respectfully submitted,

C. Robert Mitchell, Chief
Easton Fire Department

REPORT OF THE RECREATION COMMISSION

This past year, the Recreation Commission has strongly concentrated on a major situation. Improvement: improved facilities, improved activities, improved resources.

Through the diligent efforts of the Recreation Commission, the Town Pool should open this summer with a water source bearing a quality and a clarity long forgotten at the pool site.

Recreational programs are gaining strength and stability. Attendance at the playground program (five playgrounds) is increasing, as well as the family swim, and open gym. The team sports of co-ed volleyball and men's softball are becoming strong league activities.

The Commission is striving for more improvement and a greater resource accessibility for the townspeople.

Respectfully submitted,

Kathy Laverty, Director
George Quinn, Chairman
Louis Ciavarra
Debbie Carr
Donald Gage

REPORT OF THE BOARD OF APPEALS

To the Selectmen of Easton:

We, the members of the Board of Appeals, respectfully submit the following annual report for the year 1979.

Fifty-nine petitions were received by the Board during the year, which in conformity with the Law were duly advertised and copies of the notice were given to all petitioners, all Town Boards and to all owners of property deemed by Law to be affected as they appear in the current records of the Board of Assessors. All abutting communities were also notified.

The members of the Board, after hearing all the facts and evidence as presented at the public hearing and having visited the premises in question, found as follows:

Petition granted	42
Refused	11
Given Leave to Withdraw	3
Pending	3
Total	59

Each year the number of petitions submitted increases and because of the complexity of the petitions the Board is required to hold many meetings.

The Board wishes to take this opportunity to thank all the Town Officials and personnel for the assistance and services rendered during the past year to the Board.

Respectfully submitted,

Joseph M. Hurley, Chairman
William G. Bassett, Secretary
E. Vincent Carlson
John F. Mara
David M. Rohdin
Paul A. Marino, Associate Member
Howard E. Morse, Associate Member

REPORT OF THE CIVIL DEFENSE DEPARTMENT

To the Citizens of Easton:

1979 was a relatively quiet year for your Civil Defense Agency. Civil Defense equipment and personnel responded to:

44 traffic accidents
50 regular police patrols
3 mutual aid calls (West Bridgewater, Norton, and Stoughton)
12 miscellaneous details (Town Meetings,
    Oliver Ames High School Graduation exercises,
    Football rallies,
    Road races,
    Water main breaks — lighting and traffic control
    Sandbank cave-in.

1530 man-hours were logged during the year for civil defense operations. Civil Defense personnel logged over 500 hours reconditioning the former unmarked police cruiser for use by the auxiliary police. It is now painted, lettered and equipped, and "in service".

Federal and State sponsored seminars and exercises were attended by Civil Defense personnel as well as key officials from other Town departments.

Our thanks to the Board of Selectmen, Town Administrator and other town departments for their continued cooperation.

Donald S. Winship, Jr., Director

REPORT OF THE HISTORICAL COMMISSION

To the Citizens of Easton:

During 1979 the top priority of the Easton Historical Commission continued to be the preservation of the historical character of the community, and thus, each proposed housing development is analyzed in relation to its potential effect upon the historical uniqueness of Easton. Only with the continued interest and cooperation of all Easton citizens can this objective be accomplished.

The Dorchester Meadow historical marker was dedicated at Knapp's (French's) Pond September 9th. This marker commemorates the importance of the stream and the several small ponds along its course from the Stoughton line, through Unionville, to Bigney's Pond on Torrey Street in Brockton. Several important early Unionville industries were located near the bank of this river.

The Commission has been actively involved, with Duncan B. Oliver as its representative, on the North Easton Village District Commission.

The Commission meets the first Tuesday of each month and all residents are welcome to attend.

Historical Commission

John J. Kent, Chairman
Edmund C. Hands, Asst. Chairman
Norma J. Hanscom, Secretary
Enis W. Almquist

Vustav T. Winroth

REPORT OF THE DIRECTOR OF PUBLIC WORKS

To the Honorable Board of Selectmen:

I respectfully submit this report for the year 1979.

Reports of the Division Superintendents adequately describe the activities of those Divisions. Our Engineering Department has again designed several Town projects including Cross Street reconstruction, the North Easton parking area and several drainage projects. Numerous inspections were conducted and reports prepared for the Planning and Zoning Board and Conservation Commission. Subdivision review again has occupied a major portion of available time. It is unfortunate that we are required to devote so much time to the activity of regulation. Much more time needs to be spent in planning.

Our mechanical equipment is in reasonable condition, but it is apparent that the rapidly rising cost of repair parts will soon cause an increase in the budget. We have completed the conversion of two surplus diesel tractor units, one to a dump truck and the other to a spreader, with most satisfactory results.

The bulk of my activity in 1979 was directed toward the preparation of a comprehensive Water Division Improvement Program, which was completed in mid November and has been well received by all Town officials. We need to do more of this type of planning for the other Divisions if we are to meet the needs of the eighties adequately.

I wish to thank all Superintendents and employees of the D.P.W. for their help and cooperation in 1979, and the former and current Town Administrators for their assistance.

Respectfully submitted,

Roger A. Hill, P. E.
Director of Public Works

	26	7	0	0

A — Adjusted, S — Sealed, NS — Not Sealed, C — Condemned

Complaints — 1

This department has filed its annual report with the Director of the Division of Standards, Commonwealth of Massachusetts, State House, Boston.

Receipts — $89.00

The 1979-80 Budget of the Sealer of Weights & Measures

Salary — $1125.00
Expenses — $ 400.00

Respectfully submitted,

Barry L. Woodworth
Sealer, Weights & Measures

REPORT OF VETERANS' SERVICES DEPARTMENT

To the Honorable Board of Selectmen:

Through eight months of fiscal 1979-80 I have expended 54% of my appropriation which should leave adequate funds for the balance of the year unless there is an extraordinary influx of new applications.

During this period 23 families were assisted financially and 79 applications were processed through Veterans Administration facilities. In addition I acted as liaison with Self-Help by taking applications for emergency federal and state fuel financial assistance.

Viet Nam veterans are reminded that their eligibility for GI Bill Educational Training expires ten years after discharge or release from active duty but in no case later than December 31, 1989.

Please contact this Department in person or via telephone for any information concerning services provided by the Massachusetts Veterans Services or the Federal Veterans Services Administration. Telephone inquiries are processed daily.

Richard J. Kent
Veterans Agent

REPORT OF THE WIRE INSPECTOR

To the Honorable Board of Selectmen:

I respectfully submit my annual report as the Inspector of Wires for the year 1979.

REPORT OF THE BOARD OF ASSESSORS

To the Citizens of Easton:

The following annual report for 1979 is submitted herewith.

Assessed value of real estate	$186,053,065
Assessed value of personal property	11,610,815
Total Assessed Value of Real and Personal Property as of January 1, 1979	$197,663,880
Tax Rate for Fiscal Year 1980	$39.00
Number of Condominiums	200
Number of Single Family units	3538
Number of Two Family units	134
Number of Three Family units	21
Number of Four or More Family units	49
Number of Commercial/Residential units	43
Number of Commercial Properties	104
Number of Industrial Properties	31
Agricultural-Horticultural Properties	30
Forest Land	4
Vacant Land	1143
Total Number of Parcels Assessed	5297

TAX RATE RECAPITULATION FOR FISCAL YEAR 1980

Expenditures		
Appropriations:		
Special Town Meeting 5/14/79	$ 31,340.36	
Annual Town Meeting 5/14/79	11,255,190.85	
Overlay deficits	15,509.65	
Offsets	31,050.00	
State Assessments	81,275.43	
County Under Assessments	24,823.75	
County Assessments	159,243.02	
Overlay	200,000.00	
Gross Amount to be Raised		$11,798,433.06
Estimated Receipts and Available Funds:		
From State	$ 2,486,506.00	
Prior Year Over Estimates	4,418.79	
Local Estimated Receipts	735,665.10	
Available Funds	637,952.21	
Available Funds to Reduce Rate	224,999.64	
Total Receipts and Available Funds		4,089,541.74
NET AMOUNT TO BE RAISED BY TAXATION		$ 7,708,891.32

A substantial real estate tax decrease in the amount of $2.50 per thousand was achieved in fiscal 1980. This was made possible by a certain leveling in the amounts to be raised by taxation, coupled with a valuation increase of over seven million dollars.

It has been five years since we revaluated property in the Town and it appears to your Board that it will be necessary to do this again to maintain the degree of fairness amongst taxpayers that we all desire. In addition, we are being compelled by the Department of Revenue to take certain steps to implement classification of real estate according to its use, the first step of which is a compulsory revaluation. Accordingly, the Board of Assessors has submitted a warrant article for funds to assist us in a revaluation and we urge your approval of this article.

Our office has maintained the same level of personnel for the past fifteen years, in face of a workload which has actually doubled during that period. We are compelled now to seek additional personnel to meet the additional work, as well as that which is anticipated in classifying all real estate in the Town. Our office staff simply cannot continue to offer the same quality of work without clerical assistance and we have provided for this extra help in our budget.

Respectfully submitted,

Willis G. Buck, Chairman
Frederick J. Meade, Clerk
John A. Keach, Jr.

REPORT OF THE EASTON PLANNING & ZONING BOARD

To the Citizens of Easton:

The Planning & Zoning Board is pleased to report that implementation of the Zoning By-law adopted in 1973 and revised during the 70's, coupled with the Subdivision Rules and Regulations, has provided a solid foundation for effective community planning. As we continue to develop and improve the various elements of community planning and address growth issues, with buildable land being a scarce commodity, additional safeguards will be required. Considerable attention must be given to the following critical areas:

.a Water — domestic service;
.b Water recharge areas and protection of available existing acquifers; surface water recharging and possible retention areas;
.c Preservation of existing water courses;
.d Safe pedestrian, vehicular and bike passages and road construction;
.e Recreational amenities;
.f Level of municipal services;
.g Preservation of natural resources.

Our effort to achieve effective and functional community planning is implemented by requiring applicants to concern themselves with all issues involving safety, convenience and welfare of the public as it applies to their proposed use of land in Easton. We recognize the need to protect our natural resources and prevent misuse and pollution of the environment while at the same time permitting orderly growth and development of our community.

Much of our effort duing the year was devoted to the review of plans and proposals for land use changes. In addition, a special emphasis was placed on the following community planning concerns:

.1 Consultation with Zoning Board of Appeals, Fire Department, Building Inspector, Town Counsel and North Easton Business District Advisory Committee regarding mutual problems and issues;
.2 Seeking recreational sites in Easton;
.3 Growth Control Study;
.4 Research and review of cluster and PUD zoning requirements;
.5 Workshop meetings on zoning and land use issues;
.6 Physical monitoring and inspections of subdivision construction and parcels involving site plans;
.7 Continued implementation of cash bonding for subdivisions;
.8 Preparation and implementation of new covenant provisions for subdivisions.

Forty-eight plans not requiring approval under the subdivision control law were approved.

Three subdivision were approved — "Bay Village" off the westerly side of Bay Road and the southerly side of Rockland Street having five lots; "Metacomet" located on the north side of Depot Street and the south side of Summer Street having 110 lots; and "Springhill", a cluster residential development located off Elm Street containing 51 lots.

Two proposed subdivisions were submitted — "Chestnut Knoll Estates" located off the northerly end of Harlow Street and the easterly side of Cosma Road consisting of 119 lots, and a further extension of Meetinghouse Lane by James Riley.

Fourteen site plans were approved — Easton Public Schools for an athletic storage building at Oliver Ames High School; Greenwood Village, an apartment complex off Bay Road and Foundry Street; Artisan's Faire at 240 Washington Street; Patrick Folan for a construction business on Washington Street; Carl Kempf for a sign at Belmont Street entrance to Easton Industrial Park; Carl Kempf for an apartment complex off Belmont Street; Knights of Columbus for an addition to their existing building at 375 Foundry Street; David McNeil for an automobile repair shop and office space at 413 Turnpike Street; Albert Merola for a day care centre at 1 Washington Street; Gregory Messler for a garden shop at 328 Main Street; Peter O'Donnell for a used car lot at 338 Turnpike Street; Beverly Russell for a beauty salon at 796 Washington Street; Phillip Shute for an industrial building off Belmont Street; and Stonehill College for an addition and alterations to their Science Building.

The continued devoted efforts of our competent secretarial staff, Jeanne Hayward and Barbara Paraskivas, provide the mechanism to effectively administer our community planning and zoning program.

The engineering services of James Thompson, acting as agent of the Board, for review of plans, site inspections and attendance at all Planning & Zoning Board meetings has been extremely helpful and is appreciated.

We would like to especially express our appreciation to Louis Clay, who served on the Easton Planning & Zoning Board from July 1973 to August 1979. His sincere efforts and significant contributions will be greatly missed.

We attempt to provide a professional atmosphere with practical solutions to complex land use problems working within the restrictive statutory provisions by which the Board's activity is governed. However, your active support is necessary and respectfully solicited to ensure that sound community planning can continue. We commend all concerned taxpayers who have worked with us in the pursuit of good planning. Our accomplishments during the past year were achieved through your active interest and support.

Respectfully submitted,

Edmund J. McAdam, P.E., Chairman
David T. Therrien, Clerk
Charles J. Malcosky
Jerome H. Fletcher
William J. Glover, Jr.

REPORT OF THE POLICE DEPARTMENT

To the Honorable Board of Selectmen:

I herewith submit the Report of the Easton Police Department for the year ending December 31, 1979.

The Department is now in a period of transition. Chief Joel Johnson retired on August 31 after serving as Chief for more than nineteen years.

I have transferred some personnel and have created the position of Detective. With a Detective on the staff I feel that there is better follow-up on cases.

The use of Radar has been significantly increased. The results have been promising. It is our intention to reduce accidents and fatalities on our community's highways.

With the help of the School Department we are addressing the problems of drugs, alcohol and vandalism. I feel that this is the best approach to an ongoing problem. By using the combined efforts of teachers and officers from this Department, we may have some success in reaching the youth of our community.

It is my hope that in the coming year, we will be able to make certain changes and additions which will better serve the community.

Respectfully submitted,

Walter Healey
Chief of Police

Esther C. Anderson
Town Clerk of Easton

ADJOURNED ANNUAL TOWN MEETING
Tuesday, May 15, 1979

The meeting was called to order at 8:10 p.m. with a quorum present. The following counters were sworn in by Town Clerk Esther C. Anderson: Shirley Fikiet, Paulette Menot, Anne Marie Martin, Leon Lombardi, Steven Jachimski and John Keach, Jr.

Two resolutions were moved by Donald Anderson and voted as follows:

RESOLUTION

WHEREAS, during the past year the Town of Easton has experienced the loss of two of its most considerate and gracious citizens, Mr. and Mrs. William Parker and,

WHEREAS, their generosity to the community is reflected in lasting benefits through gifts of land for the sites of elderly housing, the establishment of conservation lands that will be enjoyed for many generations, and their commitment toward the preservation of valuable community resources such as the Ames Free Library and,

WHEREAS, it is most fitting for the Town Meeting to express its feeling of loss at their passing and recognize their accomplishments,

NOW THEREFORE BE IT RESOLVED that the Easton Town Meeting pays tribute to Mr. and Mrs. William Parker for their involvement and commitment to their fellow citizens and expresses its deepest sense of bereavement to the Parker family.

Given under our hands and seal this 15th day of May in the year of Our Lord One Thousand Nine Hundred and Seventy-nine.

Donald E. Anderson
Richard W. Martin
James D. Mullen, Jr.
Lawrence M. Douglas
Judson C. Walton
(UNANIMOUS VOTE) EASTON BOARD OF SELECTMEN

RESOLUTION

WHEREAS, recently the Easton Chamber Orchestra traveled to the Bermuda Musical Festival, and,

WHEREAS, the diligence, commitment and dedication of the students and teachers who participated resulted in their being awarded a much coveted silver medal for their outstanding performance and,

WHEREAS, their combined efforts are significant in establishing pride in the youth of the Town of Easton as a community that is committed to its youth,

NOW THEREFORE BE IT RESOLVED that the Easton Town Meeting offers its sincere congratulations to the Easton Chamber Orchestra and their Director, Douglas W. Anderson and expresses its overwhelming pride and joy in their accomplishments.

Given under our hands and seal this 15th day of May in the year of Our Lord One Thousand Nine Hundred and Seventy-nine.

Donald E. Anderson
Richard W. Martin
James D. Mullen, Jr.
Lawrence M. Douglas
Judson C. Walton
(UNANIMOUS VOTE) EASTON BOARD OF SELECTMEN

Discussion then ensued on Article 2 Items 212-12, 212-70, 214-30, 216-30, 301-30, 303-30, 303-31, 304-14, 304-40, 305-14. All items were voted as reported above in Article 2, Budget.

At 11:05 p.m. it was moved to adjourn to Monday, May 21 at 8:00 p.m. Total count for the evening was 317.

VOTED to authorize the Conservation Commission to file all applications necessary for grants and/or reimbursements from the Commonwealth of Mass. required under the provisions of Chapter 132A, Section 2 of the General Laws and that the Conservation Commission be authorized to enter into any required agreements or to execute any instruments that may be necessary to effect the purchase of a certain parcel of land known as Parcel No. 4 purported to be owned by Wingate S. Chadbourne and Louise May Chadbourne consisting of 12½ acres more or less situated westerly of Bay Road as more fully described under Article 30. UNANIMOUS VOTE.

ARTICLE 31. VOTED to authorize the Conservation Commission to file all applications necessary for grants and/or reimbursements under Chapter 132A, Section 2 of the General Laws of the Commonwealth of Mass. and to enter into all necessary agreements to effect the purchase of the parcels of land as described under Article 31 consisting of 14 acres more or less known as Farretta Property. UNANIMOUS VOTE.

ARTICLE 32. VOTED to accept the report of the Planning & Zoning Board concerning the proposed amendments of the "Easton Zoning By-Law" set forth in Article 33.

ARTICLE 33. VOTED to accept the proposed amendments of the "Zoning By-Law of the Town of Easton" by: (amended)

1. In Section IV INTERPRETATION AND APPLICATION, delete sub-section 4-10 in its entirety and insert in place thereof the following new sub-section 4-10:

   4-10. MULTIPLE USE: In cases of multiple use the regulation for each use shall apply to the portion of the building or land so used. A multiple use of premises for a residential and a business purpose in a business zone may be permitted subject to the foregoing and site plan submission and approval by the Planning & Zoning Board under Section 7-10.

2. (not included in vote)

3. In Section VII SPECIAL PROVISIONS, Sub-section 7-4 (CLUSTER RESIDENTIAL DEVELOPMENT), delete paragraph C) in its entirety and insert in place thereof the following new paragraph C):

   C) The total number of proposed lots in the development within the "R" district shall not exceed the number of lots which could be developed after excluding the flood plain area from the total tract area. For the purpose of this section, one lot is permitted for each 40,000 s.f. of the net area.

4. In Section VII SPECIAL PROVISIONS, Sub-section 7-5 (PLANNED UNIT DEVELOPMENT), paragraph C), delete the first sentence and insert in place thereof the following new first sentence:

   Land within the flood plain and at least 25% of the remaining developable land shall be set aside as common land and shall be either deeded to the Town or be conveyed to a nonprofit organization, the principal purpose of which is the conservation of open space, or be conveyed to a corporation or trust owned or to be owned by the owners of lots or residential units within the land and covenanted with the Town to be maintained as permanent "open space".

5. In Section VII SPECIAL PROVISIONS, Sub-section 7-5 (PLANNED UNIT DEVELOPMENT), delete paragraph D) in its entirety and insert in place thereof the following new paragraph D):

   D) The land area remaining after complying with C) above may be developed for any of the uses allowed under 7-5B).

6. In Section VII SPECIAL PROVISIONS, Sub-section 7-5 (PLANNED UNIT DEVELOPMENT), delete paragraph E) in its entirety and insert in place thereof the following new paragraph E):

   E) The residential net density shall not exceed three bedrooms per acre based on the formula below:

   D = 75% T - F
   B = 3B

   Definitions: D = Developable site in acres
   T = Total Tract in acres
   F = Flood Plain in acres
   B = Bedrooms permitted

7. In Section VII SPECIAL PROVISIONS, Sub-section 7-10 (SITE PLAN APPROVAL), in the first sentence after the words "school building" add "or public utility structure".

8. In Section V USE REGULATIONS, Sub-section 5-3 (TABLE OF USE REGULATIONS), Paragraph B. Institutional, Recreational, and

Educational Uses, delete point 2) in its entirety and insert in place thereof the following new point 2):

2) Religious, sectarian, nonsectarian, denominational, private or public school or other educational facility (see paragraph 7-12) -------------SP SP SP SP SP SP SP SP

9. In Section VII SPECIAL PROVISION, at the end of Sub-section 7-11 (FLOOD PLAIN) add a new Sub-section 7-12 to read as follows:

7-12. The use of land or structures for religious or educational purposes shall be subject to reasonable regulations concerning the bulk and height of structures and determining yard sizes, lot areas, setbacks, open space, parking and building coverage requirement as may be adopted by the Zoning Board of Appeals. Compliance with such regulations shall be determined by special permit procedure as specified by Sub-section 12-7.

10. In Section IX NONCONFORMING USES, STRUCTURES AND LOTS, Sub-section 9-2 (EXTENSION AND ALTERATION), point 2, delete the words "Conference and/or" and insert in place thereof the word "Public".

11. In Section X SIGNS, Sub-section 10-4 (ADDITIONAL SIGN REGULATIONS), point 1, after the word "signs" delete the period and add "except as set forth in point 13."

12. In Section X SIGNS, Sub-section 10-4 (ADDITIONAL SIGN REGULATIONS), point 14, after the word "days" add "prior to an election or promoted event".

VOTE as AMENDED: 167 Positive, 19 Negative.

ARTICLE 34. VOTED to amend Article XV, Earth Removal By-law in the following manner:

Section 8 – ENFORCEMENT – paragraphs D, E and F shall be deleted and replaced with new paragraphs D, E and F to read as follows:

D. The Inspector and/or the Board may seek the imposition of the penalties authorized by paragraph 17 of Section 21 of Chapter 40, M.G.L. through appropriate legal action. The penalty for removing earth in violation of this by-law shall be a fine of not more than Fifty Dollars ($50.00) for the first offense, and not more than One Hundred Dollars ($100.00) for the second offense and not more than Two Hundred Dollars ($200.00) for any subsequent offense. Each day of noncompliance shall constitute a separate offense.

E. The Board of Selectmen may require an individual who conducts an earth removal operation without a valid permit to restore the land in accordance with section 6 of this by-law. Failure to comply with such restoration within the time limits established as a part of said restoration shall constitute a separate offense and shall be subject to the fine established in Section 8, paragraph D. above.

F. Violation of this by-law is grounds for revocation of a permit issued under this by-law by the Inspector.

ARTICLE 35. VOTED to accept the provisions of Section 71E of Chapter 71 of the General Laws as enacted in Chapter 639 of the Acts of 1977, authorizing the establishment of a revolving fund for adult education programs.

ARTICLE 36. VOTED to raise and appropriate the sum of $6,181 for the purpose of settling a case before the Mass. Commission Against Discrimination pertaining to a pregnancy related disability claim of Lorna Paone. UNANIMOUS VOTE.

ARTICLE 37. VOTED to authorize the Board of Selectmen to petition the General Court to enact legislation to enable the Town to expend the sum of money appropriated by the Town to settle the case of Lorna Paone pending before the Massachusetts Commission Against Discrimination.

ARTICLE 38. VOTED to raise and appropriate the sum of $2,939 for the purpose of settling a case before the Massachusetts Commission Against Discrimination pertaining to a pregnancy related disability claim of R. Linnette Peterson.

ARTICLE 39. VOTED to authorize the Board of Selectmen to petition the General Court to allow the payment of the settlement in the case of R. Linnette Peterson.

ARTICLE 40. NOT A VOTE.

ARTICLE 41. DISMISSED.

ARTICLE 42. NOT A VOTE. SECRET BALLOT: 100 Yes, 123 No.

At 12:10 a.m. it was voted to recess until 8:00 p.m. Tuesday, June 5, 1979. Total Count for the evening: 309.

SPECIAL TOWN MEETING
WARRANT
OCTOBER 29, 1979
COMMONWEALTH OF MASSACHUSETTS

BRISTOL, SS

To either of the Constables of the Town of Easton in the county of Bristol. GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Easton qualified to vote in elections and Town affairs to meet in the Oliver Ames High School Auditorium in said Easton on Monday, the 29th day of October, next, at 8:00 p.m. then and there to act upon the following Articles.

ARTICLE 1. To see if the Town will vote to accept the report of the Planning and Zoning Board concerning the proposed amendment of the Zoning Map of the Town by changing the zoning of a certain parcel of land situated on the westerly side of Bay Road at the intersection of Bay Road and Rockland Street from business to residential or more particularly described in the following Article, or to take any other action relative thereto.

Submitted by Planning Board

ARTICLE 2. To see if the Town will vote to amend the Zoning Map of the Town entitled "Town of Easton Zoning Map, dated March 7, 1973" in the following manner: By changing the zoning of the land on the westerly side of Bay Road from Rockland Street southerly for a distance of approximately one thousand fifty feet, to its full depth or extent and in its entirety that is presently zoned "Business" to a "Residential" zone, or to take any other action relative thereto.

By Petition

ARTICLE 3. To see if the Town will vote to accept Ramblewood Drive as a public way from station 0+0 to station 12+51.44 as shown on a plan of land entitled "Ramblewood Estates", Definitive Plan Subdivision of lots in Easton, Mass., by Subdivider, Dodd Enterprises Inc., Engineer, Roy C. Anderson Jr. dated June 10, 1969 and with revisions dated Sept. 7, 1973 and approved by the Planning & Zoning Board of November 21, 1973 and recorded in the Bristol County Northern District Registry of Deeds, Plan Book 144, pages 36, 37, 38 and 39. The acceptance of said street is contingent upon the owner of said street conveying the Deed to the land by way of "Deed of Gift" to the Town within forty-five (45) days of such acceptance, and the said Deed to be deposited at the Selectmen's Office with an as-built plan of said land suitable for recording at the Bristol County Northern District Registry of Deeds.

By Petition

ARTICLE 4. To see if the Town will vote to accept Shady Rest Road as a public way from Station 0+0 to Station 12+09.23 as shown on a plan of Land entitled "Definitive Plan of Land in Easton, Bristol County, Mass. in Easton, Mass., by Roy C. Anderson, Jr. dated April 13, 1971 and with revisions dated __________ and approved by the Planning and Zoning Board of August 3, 1971 and recorded in the Bristol County Northern District Registry of Deeds, Plan Book 126, page 45. The acceptance of said street is contingent upon the owner of said street conveying the Deed to the land by way of "Deed of Gift" to the Town within forty-five (45) days of the vote of such acceptance, and the said deed to be deposited at the Selectmen's Office with an as-built plan of said land suitable for recording at the Bristol County Northern District Registry of Deeds.

By Petition

ARTICLE 5. To see if the Town will vote to accept Briarwood Circle as a public way from Station 0+0 to station 16+44.62 as shown on a plan of land entitled "Ramblewood Estates" Definitive Plan subdivision of Lots in Easton, Mass., by Subdivider, Dodd Enterprises Inc. Engineer Roy C. Anderson, Jr. dated June 10, 1969 and with revisions dated September 7, 1973 and approved by the Planning & Zoning Board of November 21, 1973 and recorded in the Bristol County Northern District Registry of Deeds, Plan Book 144, pages 36, 37, 38, and 39. The acceptance of said street is contingent upon the owner of said street conveying the Deed to the land by way of "Deed of Gift" to the Town within forty-five (45) days of the vote of such acceptance, and the said Deed to be deposited at the Selectmen's Office with an as-built plan of said land suitable for recording at the Bristol County Northern District Registry of Deeds.

By Petition

ARTICLE 6. To see if the Town will vote to accept Kerry Lane as a public way from Station 16+44.62 to Station 1.52.62 as shown on plan of land entitled "Ramblewood Estates" in Easton, Mass., by Subdivider, Dodd Enterprises Inc., Engineer Roy C. Anderson, Jr. dated June 10, 1969 and with revisions dated Sept. 7, 1973 and approved by the Planning & Zoning Board on November 21, 1973 and recorded in the Bristol County Northern District Registry of Deeds, Plan Book 144, pages 36, 37, 38 and 39. The acceptance of said street is contingent upon the owner of said street conveying the Deed to the land by way of "Deed of Gift" to the Town within forty-five (45) days of the vote of such acceptance, and said Deed to be deposited at the Selectmen's Office with an as-built plan of said land suitable for recording at the Bristol County Northern District Registry of Deeds.

By Petition

			$63,239.

Submitted by Board of Selectmen
Est. Cost — $63,239.

ARTICLE 18. To see if the Town will vote to transfer a sum of money from the Water Department Available Surplus to contract for a comprehensive study of the Town's water rates by a competent engineering firm or to take any other action relative thereto.

Submitted by Board of Selectmen
Est. Cost — $7,000.

ARTICLE 19. To see if the Town will vote to transfer a sum of money from the Water Department Available Surplus to contract for the engineering, design and inspection of a new well to be located south of Red Mill Road at test well Number One, or to take any other action relative thereto.

Submitted by Board of Selectmen
Est. Cost — $33,000.

ARTICLE 20. To See if the Town will vote to amend the by-laws of the Town by repealing section 1, of Article 1, and substituting therefor the following new section 1, of Article 1:

Section 1. The Annual Town Meeting shall be held on the second Monday of April in each year,

or to take any action relative thereto.

Submitted by Finance Committee

ARTICLE 21. To see if the Town will vote to amend the by-laws of the Town by adding the following new section to Article 1, entitled "Section 1-a":

Section 1-a. The annual Town election shall be held on the 4th Monday in April in each year,

or to take any action relative thereto.

Submitted by Finance Committee

ARTICLE 22. To see if the Town will vote to appropriate a sum of money for the payment of a vocational school tuition as provided for by sections 7 and 8 of Chapter 74 of the General Laws, which require the payment of tuition for students accepted for vocational education courses not available in the local school system and to determine whether the money will be provided by taxation or by appropriation from available funds in the Treasury or to take any other action relative thereto.

Submitted by School Dept.
Est. Cost — $2,600.

ARTICLE 23. To see if the Town will vote to amend the By-laws of the Town by inserting a new Article 29 after Article 28 which will provide as follows:

ARTICLE 29 – WETLAND PROTECTION

1. The purpose of this by-law is to protect the wetlands of the Town of Easton by controlling activities deemed to have a significant effect upon wetland values, including but not limited to the following: Public or private water supply, groundwater, flood control, erosion control, storm damage, water pollution, fisheries, wildlife, recreation, and esthetics. No person shall remove, fill, dredge, or alter any bank, fresh water wetland, flat, marsh, meadow, bog, swamp, or lands bordering on any estuary, creek, river, stream, pond or lake, or any land under said waters or any land subject to flooding, other than in the course of maintaining, repairing or replacing, but not substantially changing or enlarging, an existing and lawfully located structure or facility used in the service of the public and used to provide electric, gas, water, telephone, telegraph and other telecommunication services, without filing written notice of his intention so to remove, fill, dredge or alter and without receiving and complying with an order of conditions, and provided all appeal periods have elapsed. Such notice shall be sent by certified mail to the Easton Conservation Commission, including such plans as may be necessary to describe such proposed activity and its effect on the environment. The same notice, plans and specification required to be filed by an applicant under Massachusetts General Laws, Chapter 131, Section 40, will be accepted as fulfilling the requirements of this bylaw. The said Commission, in its discretion, may hear any oral presentation under this bylaw at the same public hearing required to be held under the provisions of said Chapter 131, Section 40, of the Massachusetts General Laws. Definitions set forth in said Chapter and Section and in the regulations issued and as may be amended by the Department of Natural Resources thereunder, are hereby made a part of this bylaw.

2. The term "person", shall include any individual, group of individuals, association, partnership, corporation, company, business organization, trust, estate, the Commonwealth or political subdivision thereof, administrative agency, public or quasi-public corporation or body, or any other legal entity or its legal representative, agents or assigns.

3. The Commission shall make a determination as to whether or not this bylaw applies to a specific situation prior to the filing of a written notice of intent under the provisions hereof, within ten days of the receipt of a written request sent by certified mail from any person desiring such determination. The Commission, its agent, officers and employees, may enter upon the land upon which the proposed work is to be done in response to a request for a prior determination or for the purpose of carrying out its duties under this bylaw and may make or cause to be made such examination or survey as deemed necessary.

4. The Conservation Commission is empowered to deny permission for any removal, dredging, filling, or altering of subject lands within the Town if, in its judgment, such denial is necessary to preserve environmental quality of either or both the subject lands and contiguous lands. Due consideration shall be given to possible effects of the proposal on all values to be protected under this bylaw and to any demonstrated hardship on the Petitioner by reason of a denial, as brought forth at the public hearing.

5. The Commission may, as an alternative to a denial, impose such conditions as it deems necessary to contribute to the protection and preservation of subject lands in accordance with the purposes of this bylaw. Any Order of Conditions issued under this bylaw shall be subject to the same constraints and be identical to any such order issued by the Easton Conservation Commission under the provisions of Massachusetts General Laws, Chapter 131, Section 40.

6. The notice required by the first paragraph of the bylaw shall not apply to emergency projects necessary for the protection of the health or safety of the citizens of Easton and to be performed or ordered to be performed by an administrative agency of the Commonwealth or by the Town. Emergency projects shall mean any projects certified to be an emergency by the Commissioner of the Department of Natural Resources and the Conservation Commission if this bylaw and Massachusetts General Laws, Chapter 131, Section 40, are both applicable. In no case shall any removal, filling, dredging or alteration authorized by such certification extend beyond the time necessary to abate the emergency,

or to take any other action relative thereto.

Submitted by Conservation Commission

ARTICLE 24. To see if the Town will vote to appropriate a sum of money to purchase, acquire by gift, or to take by Eminent Domain, for Conservation purposes, a certain parcel of land situated Northerly of Chestnut Street, owned now or formerly by Mary McClurg, consisting of five acres, more or less, shown as the second tract of land in a deed conveying said land from George McClurg to Mary McClurg, dated February 6, 1975, recorded with Bristol County Northern District Registry of Deeds, Book 1675, pages 44 and 45, and to determine whether the money shall be provided by taxation, by appropriation from available funds in the treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or to take any other action relative thereto.

Submitted by Conservation Commission
Est. Cost — $5,000.

ARTICLE 25. To see if the Town will vote to appropriate a sum of money to reimburse the Conservation Commission Fund previously established under the provision of Chapter 40, section 4 of the General Laws, for money expended to purchase a certain parcel of land situated northerly of Chestnut Street, owned now or formerly by Mary McClurg, consisting of five acres, more or less, shown as the second tract of land in a deed conveying said land from George McClurg to Mary McClurg, dated February 6, 1975, recorded with Bristol County Northern District Registry of Deeds, Book 1675, pages 44 and 45, and to determine whether the money shall be provided by taxation, by appropriation from available funds in the treasury or by borrowing under the provisions of Chapter 44 of the General Laws, or to take any other action relative thereto.

Submitted by Conservation Commission
Est. Cost – $5,000.

ARTICLE 26. To see if the Town will vote to authorize the Board of Selectmen, acting for and in behalf of the Town, to purchase, acquire by gift, or to take by right or Eminent Domain, for highway purposes a certain parcel of land consisting of 5,150 square feet, owned now or formerly by Louis A. Baynes and Nancy J. Baynes, husband and wife, situated easterly of Center Street, in that part of Easton called North Easton, shown as parcel 3 on a plan of land entitled "Plan of Land in Easton, Mass., owned by Mathew A. Welch, dated February 8, 1972" recorded with Bristol County Northern District Registry of Deeds, Plan Book 160, page 39 or to take any other action relative thereto.

ARTICLE 27. To transact any other business that may legally come before said meeting.

You are directed to serve this Warrant by posting attested copies thereof one at each meeting house and post office in said Town, and one at the Oliver Ames High School Auditorium and one in the Town Offices, fourteen days at least before the time of holding said meeting.

Given under our hands this 10th day of October in the year nineteen hundred and seventy-nine.

Donald E. Anderson, Chairman
Richard W. Martin, Clerk

Town Clerk of Easton

SPECIAL TOWN MEETING
Monday, October 29, 1979

The meeting was called to order at 8:45 by Moderator Richard C. Dailey with a quorum present. It was voted to allow the following persons into the hall: Gerald Boyle, Joseph Gomes and Robert Crear, students to carry microphones; Ray Marchand, School Dept.; Roger Hill, DPW Director; Steven Linn, resident; Mariella Wrede, visitor.

The following counters were appointed and sworn in by Town Clerk Esther C. Anderson: John Keach, Jr., Avery Lee Williams, David Woodhouse, Anne Marie Martin, David Anderson and George Quinn.

ARTICLE 1. VOTED to accept the report of the Planning and Zoning Board concerning the proposed amendment of the Zoning Map of the Town by changing the zoning of a certain parcel of land situated on the westerly side of Bay Road at the intersection of Bay Road and Rockland Street from business to residential as more particularly described in the following Article. UNANIMOUS VOTE.

ARTICLE 2. VOTED to amend the Zoning Map of the Town entitled "Town of Easton Zoning Map, dated March 7, 1973" in the following manner: By changing the zoning of the land on the westerly side of Bay Road from Rockland Street southerly for a distance of approximately one thousand and fifty feet, to its full depth or extent and in its entirety that is presently zoned "Business" to a "Residential" zone. UNANIMOUS VOTE.

ARTICLE 3. VOTED to accept Ramblewood Drive as a public way as described in Article 3, contingent upon the filing of the necessary deeds and payment of all necessary recording costs at Taunton Registry of Deeds, and contingent upon completion of deficiencies or settlement of the cash bond held by the Planning Board.

ARTICLE 4. VOTED to accept Shady Rest Road as a public way as described in Article 4, contingent upon the filing of the necessary deeds and payment of all necessary recording costs at Taunton Registry of Deeds, and contingent upon completion of deficiencies or settlement of the cash bond held by the Planning Board.

ARTICLE 5. VOTED to accept Briarwood Circle as a public way as described in Article 5, contingent upon the filing of the necessary deeds and payment of all necessary recording costs at Taunton Registry of Deeds, and contingent upon completion of deficiencies or settlement of the cash bond held by the Planning Board.

ARTICLE 6. VOTED to accept Kerry Lane as a public way from Station 16+44.62 to Station 18.52.62 amended, as described in Article 6, contingent upon the filing of the necessary deeds and payment of all necessary recording costs at Taunton Registry of Deeds, and contingent upon completion of deficiencies or settlement of the cash bond held by the Planning Board.

ARTICLE 7. VOTED to accept Scotch Dam Road as a public way as described in Article 7, contingent upon the filing of the necessary deeds and payment of all necessary recording costs at Taunton Registry of Deeds, and contingent upon completion of deficiencies or settlement of the cash bond held by the Planning Board.

ARTICLE 8. VOTED to accept Brentwood Drive as a public way as described in Article 8, contingent upon the filing of the necessary deeds and payment of all necessary recording costs at Taunton Registry of Deeds, and contingent upon completion of deficiencies or settlement of the cash bond held by the Planning Board.

ARTICLE 9. VOTED to accept Woodland Drive as a public way as described in Article 9, contingent upon the filing of the necessary deeds and payment of all necessary recording costs at Taunton Registry of Deeds, and contingent upon completion of deficiencies or settlement of the Cash Bond held by the Planning Board.

ARTICLE 10. VOTED to accept Guinivere Road as a public way as described in Article 10, contingent upon the filing of the necessary deeds and payment of all necessary recording costs at Taunton Registry of Deeds, and contingent upon the completion of deficiencies or settlement of the cash bond held by the Planning Board.

ARTICLE 11. VOTED to accept King Arthur Road as a public way as described in Article 11, contingent upon the filing of the necessary deeds and payment of all necessary recording costs at Taunton Registry of Deeds, and contingent upon completion of deficiencies or settlement of the cash bond held by the Planning Board.

ARTICLE 12. VOTED to accept Leisure Lane as a public way as described in Article 12, contingent upon the filing of the necessary deeds and payment of all necessary recording costs at Taunton Registry of Deeds, and contingent upon completion of deficiencies or settlement of the cash bond held by the Planning Board.

ARTICLE 13. VOTED to accept Pine Brook Lane as a public way as described in Article 13, contingent upon the filing of the necessary deeds and payment of all necessary recording costs at Taunton Registry of Deeds, and contingent upon completion of deficiencies or settlement of the cash bond held by the Planning Board.

ARTICLE 14. VOTED to accept Meadowbrook Lane as a public way as described in Article 14, contingent upon the filing of the necessary deeds and payment of all necessary recording costs at Taunton Registry of Deeds, and contingent upon completion of deficiencies within 60 days or settlement of the cash bond held by the Planning Board.

ARTICLE 15. VOTED to accept School St. Extension as a public way as described in Article 15, contingent upon the filing of the necessary deeds and payment of all necessary recording costs at Taunton Registry of Deeds.

ARTICLE 16. VOTED to appropriate from available funds in the Treasury the sum of $18,465.87 for the purpose of liquidating unpaid bills of the prior fiscal year as follows: (UNANIMOUS VOTE)

Department	**Account No.**	**Account**	**Amount**
Elections	110-1000-100	Salary (School Cust.)	$ 262.10
Fire Dept.	201-1000-500	Fire Overtime	4,184.33
Police Dept.	202-1000-500	Police Overtime	2,650.42

			$47,639.	6,100.	4,000.

Discussion was begun on Article 18 until a question of no quorum was raised. It was voted at 10:20 p.m. to adjourn to Monday, November 5, 1979 at 8 o'clock p.m. Total count for the evening was 223.

NOTICE OF ADJOURNED SPECIAL TOWN MEETING
TOWN OF EASTON
COMMONWEALTH OF MASSACHUSETTS

October 30, 1979

Be it known that the Special Town Meeting held Monday, October 29, 1979 was duly adjourned to MONDAY, November 5, 1979, at EIGHT o'clock P.M. in the Oliver Ames High School Auditorium to see what action the Town will take in respect to Articles 18–27 inclusive and any and all matters that may legally come before the meeting.

Esther C. Anderson
Town Clerk of Easton

ADJOURNED SPECIAL TOWN MEETING
Monday, November 5, 1979

As there were 179 voters present at 9:00 p.m. Board of Selectmen Chairman Donald Anderson thanked those present and stated that all remaining articles would be cancelled. It was then moved and voted to adjourn.

A true copy. Attest:

Esther C. Anderson, Town Clerk

OFFICIAL PROCEDURES TO BE USED AT TOWN MEETING

Approved — Town Meeting — May, 1978

1. Main Motions: Debatable

   When a motion has been made, seconded and stated by the Chair, the assembly is not at liberty to consider any other main motion until this motion has been disposed of.

2. Motions to Amend Debatable Majority Vote Required

   This motion is to change, add, or omit words in the original main motions.

3. Motion to Amend the Amendment Debatable Majority Vote Required

   This is a motion to change, add, or omit words in the first amendment.

   Method of Vote: The first vote is on changing words of second amendment. If the first vote adopts the change, the second vote is on the first amendment as changed or amended. The third vote is on adopting the main motion as changed or amended.

4. Motion to Commit or Refer: Debatable, Amendable Majority Vote Required

   When a motion becomes involved through amendments or when it is wise to investigate a question more carefully, it may be moved to commit or refer the motion to a committee for further consideration.

5. Motion to Close Debate Not Debatable 2/3 Vote Required

When debate does not seem to be shedding additional light on a question, you may move to end it by calling the question: "Mr. Moderator, I call the question." You must be recognized by the Chair before making this motion. As soon as this Motion is made, debate ceases and a vote on closing debate is taken. If the motion is carried, a vote is immediately taken on the question under consideration.

6. Motion to Reconsider: Debatable Majority Vote Required

This motion must be made the same day as the original motion was carried or defeated "A vote can be reconsidered only once".

7. Motion to Adjourn: Debatable Majority

This motion is always in order except (a) when a speaker has the floor, (b) when a vote is being taken, (c) after it has just been voted down (d) when the assembly is in the middle of some business which cannot be abruptly stopped. A definite time and place must be set.

MISCELLANEOUS MOTIONS

These motions (or questions) are not necessarily related to the Main Motion and do not fall within the order of precedence. They may be made as appropriate or necessary.

1. Question of Privilege:

A motion unrelated to the business taking place, e.g. "Question of privilege, please! It is too noisy. I request that the Chair ask that all taking be stopped."

2. Point of Information:

Motion used to ask a question or obtain clarification of facts pertaining to the motion at hand. "Point of information, please! What would be the cost to repair this piece of machinery rather than replace it?" There is no vote or debate. The Chair provides the information sought.

3. Point of Order:

This motion is always in order but can be used only to present an objection to some method of parliamentary procedure. "Mr. Moderator, I rise to a point of order!" Then the objection is stated. There is no vote or debate and the Chair immediately rules on the point of order.

4. Point of no Quorum:

This motion requires no second and is not debatable. No other motion may be applied to it. It may not be used to interrupt a speaker. When the point is properly raised, the Moderator must then ascertain whether or not a quorum exists.

TOTALS

Prec. 1	5804
Prec. 2	5493
Prec. 3	3607
	14905

Respectfully submitted,

Esther C. Anderson
Census Director

REPORT OF REGISTRARS OF VOTERS

Various meetings of the Board of Registrars were held for the registration of voters. All nomination papers and petitions for election and town meeting were checked and approved.

At the close of registration held April 24, 1979 for the Annual Town Meeting and Election the number of voters and party designations was as follows:

Prec.	Democratic	Republican	Unenrolled	Total
1	625	542	1481	2648
2	858	828	1401	3087
3	429	547	784	1760
	1912	1917	3666	7495

At the close of registration October 19, 1979 for the Special Town Meeting, the number of registered voters was as follows:

Prec. 1	Prec. 2	Prec. 3	Total
2711	3131	1811	7653

Respectfully submitted,

Albert F. Fleury, Chairman
Maureen T. Curtin
James L. Starr
Esther C. Anderson

Respectfully submitted,

Esther C. Anderson
Town Treasurer & Collector

REPORT OF THE AMES TRUST FUNDS

The following statement is supplied the Town Treasurer by the office of the Trustees of the Ames Trust Funds.

Following is a summary of the Ames Trust Funds held for the benefit of the Town of Easton as of December 31, 1979, together with an estimate of the 1980 income. The estimate for the 1980 income is based on the amounts which the various companies are now paying. This estimate does not allow for any deductions which may have to be made before the net income is paid over to the Town of Easton, neither does it take into consideration any reductions in dividends which might be made by the various companies.

	Book Value	12/31/79 Market Value	1979 Income Paid to Town	1980 Est. Income to Town
Highways Fund	$1,189,778.25	$1,184,281.04	$78,643.63	$70,000.00
Highways Perm. Fund	37,302.81	67,653.30	4,100.14	3,800.00
Schools Fund	733,260.99	969,282.07	71,768.26	66,000.00

REPORT OF THE SUPERINTENDENT

To the Easton School Committee:

As Superintendent of Schools, I hereby submit this, my fourth annual report and the ninety-fourth of a series since the Town authorized a Superintendent of Schools.

SCHOOL ENROLLMENTS

The total school enrollment increased by one student between January 1979 and January 1980 to a total of 3710 pupils. Once again it is interesting to note, however, that while the K-6 enrollment decreased by 24 students, the enrollment in Grades 7-12 increased by 25 students. This shifting enrollment pattern severely taxes our facilities due to the broad range of programs which are available to students, especially in Grades 9-12.

The increasing demand to serve special needs students as mandated by Massachusetts Chapter 766 and the Federal Law P. L. 94-142 requires additional teaching stations, which affect the original student capacity of our buildings. We are, literally, using every nook and cranny available within our buildings to accommodate the expanding programs. The steady pattern of home construction within our community does not indicate much relief to our problem.

ELEMENTARY EDUCATION

With the drop in enrollment at the elementary level, one teaching position was eliminated.

George Cross, Director of Elementary Education, coordinated curriculum work in the areas of health, language arts, mathematics, social studies, science, reading, and the Sheep Pasture program. In addition, a program for high ability learners (HAL) was also developed for students in Grades 4-8.

The Center School Parent Advisory Council became involved in an extensive project on nutrition which resulted in several changes within our cafeteria program.

SECONDARY EDUCATION

Duncan Oliver served as Principal of the Oliver Ames High School, and in September was joined by Aubrey Conrad, who was hired to the position of Assistant Principal. Suzanne Rivard was appointed to the newly created position of Dean of Students, also at the High School.

An extensive review of the secondary curricular offerings was conducted in cooperation with the Parent Advisory Council, who worked on a review of the program of studies.

Parent Advisory Councils throughout the system are actively involved in many projects.

Oliver Ames High School experienced a most successful first outdoor graduation last June through the voluntary efforts of many student and staff members.

Andrew Miller, Jr., Assistant Superintendent, has been working with principals and department heads at the secondary level in the coordination of programs.

SPECIAL SERVICES

William Simmons, Director of Special Services, continues to provide outstanding leadership to our Special Needs Program. As mandated by law, we are required to provide services for all special needs persons, aged 3 to 21. In addition, we are required to provide transportation for adults over the age of twenty-one who are engaged in rehabilitation programs.

At the present time, we are servicing approximately 500 students in the programs for ages three to twenty-one years. Whenever possible, we have taken advantage of available outside funding and continue to collaborate with the communities of Foxborough, Mansfield, and Norton to provide better programs most cost effectively. Through the utilization of federal funding, we have increased the services to all special needs students.

Bill Simmons coordinated a task force which produced a Child Abuse Policy along with extensive guidelines to be used within the system.

OTHER ITEMS

In February of 1979, Valentine Muscato was inducted into the Football Coaches Hall of Fame, a most notable achievement.

The Chamber Orchestra, under the direction of Douglas Anderson, won a silver medal at the International Music Festival held in Bermuda, an award of the highest distinction.

Under the direction of Evelyn Barden, and summer school program took a new dimension. ESCAPE was a full day program offering a broad range of experiences.

In the spring we returned to a program of standardized testing as recommended by a task force of parents and educators who were coordinated in their efforts by George Cross. This committee was later expanded and have taken on the responsibility of developing Easton's Basic Skills Improvement Policy as mandated by the State Department of Education.

The four SPOKE communities received federal funding under Project SIGNALS to develop a program to address listening and speaking skills which will be required by the State at a later date.

Easton was successfully funded to establish a Teacher Center at Unionville Building. We had the distinction of being one of only four such projects funded in Massachusetts. In October, Joanne Galipault was selected to serve as Director of the Center. Joanne had been librarian at the Oliver Ames High School.

Ronald Trinque of the Middle School was appointed as Coordinator of Health, Safety, and Physical Education. The restructure of this department was designed to provide full coordination in these three areas in Grades K-12. All students at the Oliver Ames High School were given training in cardiopulmonary resuscitation (CPR), and health instruction is now offered at all levels.

FACILITIES

All school buildings continue to be used beyond capacity, which means that we are using spaces which were never designed for instructional use. Many of our itinerant teachers continue to be home-based in originally-designed closets.

Hopefully, at the 1980 Annual Town Meeting we will present an article to purchase Moreau Hall, which is on property adjacent to Stonehill College. The building can easily be converted to fifteen classrooms in addition to maintaining an existing cafeteria and kitchen, a gymnasium, and a library.

The plan for this building would mean that the fifth grade would be discontinued at the Middle School and the elementary buildings, Center, Parkview, and North Easton Grammar, would become Grades 1-5, as would Moreau Hall. The Middle School would house all of Grade 6 and some of Grade 7, the Junior High School would house Grades 7, 8, and all of Grade 9. (Approximately half of Grade 9 is now at Oliver Ames High School.) Oliver Ames High School would house Grades 10-12. The acquisition of Moreau Hall provides an immediate solution to a problem which will haunt us for several years, overcrowding at the secondary level.

Over the past year, many of our buildings have been modified to make them accessible to handicapped persons in keeping with Section 504 of the Rehabilitation Act of 1973. This extensive project has been coordinated by Andrew Miller, Jr., Assistant Superintendent, and Edward Johnson, Supervisor of Buildings and Grounds. Many hours have been spent in monitoring this program to assure that the best interests of all are being served. Other renovation projects worthy of note are: at Oliver Ames High School, a new roof over the gymnasium and new athletic storage building; at Center School, resurfacing of the blacktop, major roof work, and a new floor in the cafetorium; at Easton Junior High School, major roof work, resurfacing the blacktop; at North Easton Grammar School, a new electrical service and new heating system.

CLOSING COMMENTS

The school system is hard pressed to meet the increasing cost of goods and services while at the same time trying to respond to the heavy burden on the local taxpayers. The Governor's tax cap does not take into consideration the communities such as Easton who are continuing to increase in population and that with that increase there is an increase in the services which the Town is expected to provide to its citizens.

While many school systems are experiencing declining enrollments, Easton continues to remain stable, but at the same time the shifting enrollment, which reflects an increase at the secondary level, means increasing those programs which are inherently more expensive to operate.

In most cases, while the costs are increasing, the resources available outside the community, at either the state or federal level, are not being increased but in fact are diminishing, which causes the local community to bear a heavier load.

Due to the skyrocketing energy costs, we were forced to reorder our budget priorities, and since November we have been controlling spending in an attempt to offset some of the deficit which we will incur through the end of the year.

I extend my sincere appreciation to our dedicated staff who go above and beyond to provide for our young people.

I am most appreciative of the spirit of cooperation which the schools share with the other town agencies, without whose assistance we could not function.

To the parents and others who are always ready to help in so many ways, Thank you.

Respectfully submitted,

John T. Farrington
Superintendent of Schools

REPORT OF THE SCHOOL COMMITTEE

The Easton School Committee submits the following report for 1979. We are grateful for the many years of dedicated service of those who retired during the year: Florence M. Farrell, Clerical Aide to Department Heads and Evening School Secretary, who served the school system for 11 years; Eero R. Helin, Head of the Physical Education Department and teacher for 22 years; Elsie L. Rockwell, Clerical Aide and Treasurer of Student Accounts, who served for 14 years; and Gardner P. Sherman, Industrial Arts teacher for 22 years.

The present School Committee was organized on December 13, 1978, with Norman A. Anderson elected as chairman. At the Town election on May 19, 1979, Leo D. McEvoy was reelected for a three year term, and at a reorganization meeting on May 22 he was elected chairman, with Robert Nisenbaum elected to serve as vice chairman.

The major project which has occupied the members of the School Committee during the year has been the discussion, review, and revision of School Committee policies with the help of a consultant who has been engaged to codify and organize the policy documents in a readily accessible form. When the project has been finished, the process of review will be facilitated and will be continued as necessary to keep the policies current.

Negotiations with the Easton Teachers Association continued from December 4, 1978, until December 10, 1979, when the new Agreement was ratified, the previous Agreement having expired on August 31, 1979. New three year contracts with both the Easton Nurses Association and the Easton School Secretaries Association became effective September 1, 1979.

The financing of public education continues to be a major problem area, with the inflationary spiral continually resulting in increased costs in materials and wages. The zero base budgeting system is now in its third year of operation and continues to be an excellent tool in controlling spending and providing for priority needs. The school budget for fiscal year 1979-80 was held to a 1.28 percent overall increase, well within the Governor's tax cap of 4 percent.

The School Committee had the pleasure in June of 1979 of cooperating with the Class of 1928 in choosing recipients for two scholarships given by the Class in honor of their fiftieth reunion, the Class of 1928 Memorial Award and the John T. "Bird" Watson Memorial Award. We are grateful for the memory of those in whose names these scholarships were dedicated and for the generosity of the Class.

In cooperation with the Easton Gridiron Club, a new electronic scoreboard was installed at Frothingham Park prior to the 1979 football season. The scoreboard is adaptable for both football and baseball, and will therefore be a pleasurable addition to the athletic program.

A major project of renovation was begun in the summer of 1979 to bring the various school buildings in compliance with Section 504 of the federal regulations regarding architectural barriers to handicapped persons. The financing of this project was provided by the Town under capital expenditures. Other major projects financed by capital expenditures were a new roof over the gymnasium at Oliver Ames High School; a new athletic storage building; resurfacing of the blacktop, major roof work, and a new floor in the cafetorium at Center School; major roof work and resurfacing the blacktop area at Easton Junior High School; and a new electrical service and new heating system at North Easton Grammar School.

The Easton Teachers' Center was established at the newly renovated Unionville Building, which also houses the Department of Special Services. The Teachers' Center provides a central location where teachers may have access to resource material and production equipment for supplementary educational media materials. Easton was honored by having the planning grant application for the Center, revised by a writing team headed by George Cross, Director of Elementary Education, judged first in the nation and used as an exemplary application.

An innovative procedure was initiated in November by the Superintendent in which the various programs of the schools will be reviewed by the School Committee by means of special presentations by school personnel. At a November meeting, Judith Yankopoulos, Art Department Head, presented an informative and delightful program showing examples of student art work and methods used by the teachers. In December, the Junior High School/Parkview School Cooperative Plan was explained by Barbara Kinsman, teacher of Grade 4 at Parkview, and Bruce Palombo, Guidance Counselor at Easton Junior High School.

We appreciate the cooperation and continued support of the citizens of Easton in our efforts to provide the best possible education for our children.

Respectfully submitted,

EASTON SCHOOL COMMITTEE
Norman A. Anderson
Richard E. Hall
Leo D. McEvoy, Chairman
Robert Nisenbaum
Joseph F. Scowcroft, Jr.

REPORT OF THE BOARD OF SELECTMEN

To the Citizens of Easton,

The annual report of the Board of Selectmen is hereby submitted.

Each succeeding year seems to become more active and more demanding as the needs and problems of a fast-growing community continually increase, and 1979 was no exception.

In preparing for the 1979 Annual Town Meeting, we were faced, for the first time, with the requirement for requested appropriations not to exceed 4% of the previous fiscal year appropriations. Although this was successfully done, it necessitated postponing many improvements and capital needs of a growing community. As a result of staying within the 4% tax cap, and largely as a result of significantly increased State Aid we were able to effect a tax rate decrease.

The problem of obtaining a quorum, together with the problem of retaining a quorum throughout each Town Meeting session continues to create real difficulties in completing the Town's business. As a result of this, a Special Town Meeting was held in October to complete action as unfinished Warrant Articles carried over from the Annual Town Meeting in May. Again, due to quorum problems, we were unable to complete action on all Warrant Articles. As a hoped-for remedy to this problem, we are considering recommending a "zero quorum" requirement for our Town Meeting as many other Towns have done.

At the Annual Town election in May, Selectmen James D. Mullen, Jr., and Richard W. Martin were both re-elected.

One of our major concerns, the adequacy of our Town water was highlighted this year when, due to continual increased usage and mild drought, it was necessary to impose restrictions on lawn sprinkling activity. For a period of several weeks, the quantity of water pumped was resulting in a dangerously low level of available water and posing a threat to some areas of the Town of reduced water pressure in the event of a serious fire.

At the May Annual Town Meeting, an Article was approved to have a study of Easton's growth impact to be made by the Planning Board. The current and potential growth of our Town is of significant concern to the Board of Selectmen. Not only is this concern related to our all-important water quantity and quality, but it is related to the associated needs of fire and police protection, road construction and maintenance, school needs and other Town government needs that are directly related to community growth.

An obvious concern to all of our citizens is the property tax rate. This concern is assuredly shared by the Board of Selectmen as we continually strive to meet the increased service demands of a growing community, the wage and salary needs of our valued Town employees, while minimizing the cost of our Town Government; all the while operating in a 13% inflationary period, where the price of gasoline, for example, has more than doubled from one fiscal year to the next.

Our Town Administrator, Paul Olean, resigned in April after serving for the past three years. We express our appreciation to him for his valued service to the Board of Selectmen and to our community.

In August, our new Town Administrator, Richard Howe was welcomed to our community and has become rapidly involved in the multi-faceted responsibilities of the Town Administrator position.

We are fortunate in having so many dedicated Town employees, many of whom have served so capably for so many years and we deeply appreciate their efforts in serving the various needs of a fast growing community. One of our long term employees, Police Chief Joel Johnson, joined the ranks of the retired in August. Sergeant Walter Healey was appointed as a replacement to serve as Easton's new Police Chief.

We also appreciate the extensive time and effort of the many citizens who serve on an unpaid basis on our many Town Boards and Committees, whose functions are so vital to so many aspects of our Town Government.

There is a continued need for more citizens' interest and involvement in their Town government, and we encourage this on the part of all Easton's citizens.

Respectfully submitted,

BOARD OF SELECTMEN
Donald E. Anderson, Chairman
Richard W. Martin, Clerk
James D. Mullen, Jr.
Lawrence M. Douglas
Judson C. Walton

REPORT OF THE TOWN ADMINISTRATOR

Since beginning as the new Town Administrator last August, I have begun to understand the Town of Easton and some of the problems facing the community and town government. Many of the Town's difficulties are the result of the continued rapid growth. With 300-400 new residents each year, Easton must develop new ways of controlling the Town's growth and coping with the effects of it.

Several areas of immediate concern will be considered by the 1980 Town Meeting:

1. *Water Supply* – The Town will be asked to approve a bond issue to develop a new well. In addition, an increased budget for the Water Division and a professional water rate study are necessary to improve supplies and protect the quality of the town's water.

2. *Police and Fire* – Both Departments are proposing to increase manpower and improve equipment in order to maintain adequate protection for all residents. The Town will also be considering a land-taking for a future fire station and recreational field in the Five Corners area.

3. *Town Office* – Some staffing increases will be necessary to maintain efficient service and administration. The creation of a separate Treasurer/Collector position is proposed to relieve the growing burden on our present Clerk/Treasurer/Collector and the Assessor's office and the Town Administrator will also require additional assistance. Over the next year, major improvements will also be necessary in the Town's personnel system, and increased attention must be focused on land use planning including the possibility of having a town planner.

These new demands and the impact of inflation on energy costs and salaries will make it impossible to keep the town budget within the four percent tax cap. Because of an increasing tax base, however, the rate will rise less than the total town budget. In addition to maintaining tight control over expenditures, it will be important to examine all revenue sources over the next year. Some increases in fees, improved collections and better cash management may provide additional income that would otherwise have to be raised through taxes. As always, decisions made at the state and county levels will have a major impact on our tax rate and are largely beyond our control.

During my first few months in Easton, I have been particularly impressed with the general competence and hard work of town employees and with the devotion and commitment of those who work voluntarily on town boards and committees. I appreciate the warm personal welcome I have been given here in Easton and look forward to my continued involvement with your town and its government.

Respectfully submitted,

Richard T. Howe
Town Administrator

REPORT OF THE FINANCE COMMITTEE

To: The Citizens of Easton

The men and women who comprise the Finance Committee receive little recognition for their many hours, weeks, and months of work. In my first year as Chairperson, I thank this Committee for its timeless effort and devotion, and for the unprecedented ratio of almost 100% attendance. Besides attending the two and sometimes three weekly meetings, sub-committees comprised of Finance Committee members visited major departments such as Fire, Police, and Department of Public Works; attended other department board meetings; mutually inspected town buildings and equipment with the appropriate department head; and also made suggestions to other departments as to many saving ideas and proposals.

Chapter 39, Section 23 A-C states that all Finance Committee meetings be open to the public. In the last year only one townsperson came to observe how we arrive at our dollar figures. Our meetings are posted and serve as a standing invitation to please attend.

In this year of the 4% cap and 20% interest prime rate, belt tightening is mandatory. In view of this, we feel that no new programs should be instituted, pay raises should be scrutinized, addition of new employees should be carefully studied, central purchasing should be instituted, and financial cuts made whereever possible.

It is the duty of the Finance Committee to improve the Town. The Committee should be involved in every policy decision faced by the Town, should be the advisor to the voters, and should question decisions as a serious voter would, to see how sound its facts are and how thorough its study had been.

This book will have been printed before all of our work is completed; therefore, at this time we can only tell you some of the areas that are of a concern to us. We have had some discussions regarding teacher aides. We are well aware of this unpopular subject, and we feel that it should be addressed. While we have been criticized for merely discussing the topic, we feel it was important.

The Fire Department budget poses problems that have never confronted the Town before — civilian dispatchers. More personnel and additional vehicles are needed by the Police Department, Fire Department and Department of Public Works.

Due to the complexity of the budgets we will have to make many of our recommendations on the Town Meeting floor. Also due to the fact that we did receive the completed warrant articles until the night before the town report goes to the printer, we are unable to properly analyze the subject matter; but, evaluation will be made on a continuing basis, up until and including the Town Meeting, and appropriate recommendations will be made at that time. Our reasoning and logic for recommending or deleting a particular line item will be thoroughly explained at the Town Meeting.

Ambulance				35,000	35,000	
				183,500	183,500	

BUDGET NOTES

1. Selectmen's recommendations included negotiated salary increases for DPW employees, Town Office employees, and non-union employees. Finance Committee recommendations do not include increases negotiated for Town Office employees.

2. Assessors' budget includes new Clerk Typist ($8,015).

3. Budgets for gas & oil for Fire, Police, Public Works, Highway, Tree & Moth, Building & Grounds, Landfill, and Water Departments were recalculated by Selectmen. Annual usage was lowered by 15% in most departments to encourage conservation, and average prices for next year of $1.40 per gallon for gasoline and $1.10 per gallon for diesel and heating oil were used.

4. New Police Officers are budgeted for six months only. It is estimated that it will take six months to get civil service lists, appoint officers, and arrange for training.

5. Funds were added to the Building & Grounds budget to permit summer maintenance of school fields: $2,700 in salaries and wages and $300 in Expenses.

6. Water Division budget includes funding for two new employees, a Meter Technician and a Laborer/Meter Reader.

7. A full-time Veteran's Agent has been budgeted as required by State law. Current part-time agent is retiring.

TOWN OF EASTON
ANNUAL TOWN MEETING WARRANT
MAY 12, 1980
COMMONWEALTH OF MASSACHUSETTS

BRISTOL, SS

To either of the Constables of the Town of Easton in the County of Bristol.

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Easton qualified to vote in elections and town affairs to meet in the Oliver Ames High School Auditorium in said Easton on Monday, the 12th day of May, next, at 8:00 p.m. then and there to act upon the following articles:

ARTICLE 1. To see if the Town will vote to accept the reports of the Selectmen, Assessors, Board of Health, Town Clerk, Treasurer, Collector of Taxes, School Committee, Town Accountant, Director of Public Works and any other Board and Committee of the Town and take any other action relative thereto.

Submitted by Board of Selectmen

ARTICLE 2. To see if the Town will vote to raise and appropriate such sum of money as may be necessary to defray the Town charges for the ensuing year including the salaries of the several elective and appointed offices of the town and make appropriations for same, or take any action relative thereto.

Submitted by Board of Selectmen

ARTICLE 3. To see if the Town will vote to appropriate a sum of money for the purpose of capital expenditures to include a Backhoe, a Chipper, a Dump Truck, a Mist Sprayer, a Fire-attack-rescue Class A Pumper, and a Class I Ambulance and to determine whether the money shall be provided by taxation, by appropriation from available funds in the Treasury or by borrowing under the provisions of Chapter 44 of the General Laws or to take any other action relative thereto.

Submitted by Board of Selectmen

See Capital Budget at end of Operating Budget

Est. Cost - $183,500

ARTICLE 4. To see if the Town will vote to authorize the Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1980 in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17 or take any action relative thereto.

Submitted by Board of Selectmen

ARTICLE 5. To see what sum of money the Town will vote to instruct the Assessors to use from surplus revenue to reduce the tax levy for the current year, or to take any other action relative thereto.

Submitted by Board of Selectmen

ARTICLE 6. To see if the Town will vote to appropriate a sum of money to reconstruct public ways in the Town and to determine whether the money will be provided by taxation or by appropriation from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or to take any other action relative thereto.

Submitted by Public Works
Est. Cost - $44,600

ARTICLE 7. To see if the Town will vote to authorize the Board of Selectmen to accept and enter into contract for the expenditure of any funds allotted or to be allotted by the Commonwealth and/or County for the construction, reconstruction and improvements of Town roads.

Submitted by Board of Selectmen

ARTICLE 8. To see if the Town will vote to appropriate a sum of money to be used in conjunction with or in addition to any funds alloted by the Commonwealth and/or County for the construction, reconstruction and improvements of Town roads and appurtenances thereto, and to determine whether the money shall be provided by taxation, by appropriation from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the Massachusetts General Laws, or take any other action relative thereto.

Submitted by Board of Selectmen
Est. Cost - $7,700

ARTICLE 9. To see if the Town will vote to appropriate a sum of money to correct drainage conditions of the public ways of the town and to determine whether the money will be provided by taxation, or by appropriation from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or to take any other action relative thereto.

Submitted by Public Works
Est. Cost - $31,700

ARTICLE 10. To see if the Town will vote to appropriate a sum of money to construct or reconstruct sidewalks within the public ways of the Town and to determine whether the money will be provided by taxation, or by borrowing under the provisions of Chapter 44 of the General Laws, or to take any other action relative thereto.

Submitted by Public Works
Est. Cost - $12,500

ARTICLE 11. To see if the Town will vote to appropriate a sum of money to be expended by the Department of Public Works, Tree Division, in control of the Dutch Elm Disease and to determine whether the money shall be provided by taxation, by appropriation from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the Massachusetts General Laws, or to take any other action relative thereto.

Submitted by Public Works
Est. Cost - $15,343

ARTICLE 12. To see if the Town will vote to transfer a sum of money received or to be received from Bristol County to be expended by the Department of Public Works, Tree Division, in control work against Dutch Elm Disease.

Submitted by Public Works
Est. Cost - $1,535.17

ARTICLE 13. To see if the Town will vote to appropriate a sum of money for the Ames Free Library to be used towards Ames Free Library Service, and to thus make the Town eligible to receive State aid for the support of said Ames Free Library in accordance with the provisions of General Laws, Chapter 78, Section 19A, and to determine whether the money will be provided by taxation or by appropriation from available funds in the Treasury, or to take any other action relative thereto.

Submitted by Library Trustees
Cost - $10,000

ARTICLE 14. To see if the Town will vote to authorize the Board of Selectmen acting for and in behalf of the town, to purchase, to acquire by gift, or to take by right of Eminent Domain for recreational purposes the following parcels of land:

PARCEL ONE: A certain parcel of land situated Westerly of Depot St., purported to be owned by Marie-An Real Estate Trust, and bounded and described as follows: Beginning at a point in the East line of Bay Street 503.39 ft., more or less, from the junction of Bay Street and Depot Street, the same being the N.W. corner of land of Arthur T. Lewis et ux, and running thence in a N. direction by said Bay St. 1123.41 ft. more or less to land now or formerly of Howard A. Richards; thence turning and running E. partly by a wall and land of said Richards 659.08 ft. to a corner; thence turning and running in a S. direction 281.60 ft. to a corner; thence turning and running in a S.E. direction 50.72 ft. to the W. line of said Depot St., thence turning and running in a S. direction by said Depot St. 988.77 ft., more or less, to a point and the N.E. corner of land of said Lewis et ux; thence turning and running in a W. direction by land of said Lewis et ux 434.10 ft. to the point of beginning.

There is excepted from the above described parcel that portion thereof which was conveyed to Frank L. Carlson, et ux, by deed dated October 24, 1959, recorded with Bristol Deeds Book 1336. page 244, and that portion thereof previously taken by the Town of Easton by an Order of Taking dated June 23, 1975, recorded with Bristol North District Deeds, consisting of about 19,184 square feet, shown as Parcel No. 2 on a plan of land entitled "Town of Easton 1975 Layout Depot Street, dated March, 1975."

PARCEL TWO: A certain parcel of land situated Westerly of Depot Street owned now or formerly by Charles T. and Marilyn E. Needham, and bounded and described as follows: A parcel of land situated on the northwesterly side of Depot Street in Easton shown as Parcels "A", "B", "C", and "D" on a Plan of Land in Easton, Massachusetts owned by Charles T. and Marilyn E. Needham and Parties Shown" dated May 19, 1978, which Plan is recorded in Book 172 page 6. Said parcel being further bounded and described as follows: Beginning at a point in the westerly line of Depot Street at the southerly point of the parcel; thence N 48° 13' 36' W, seventy-one 41/100 (71.41) feet; thence N 19° 29' 11" E, two hundred forty-three and 72/100 (243.72) feet; thence N 66° 54' 31" W, one hundred and seventy-three and 18/100 (173.18) feet to a drill hole; thence N 86° 44' 20" W, two hundred eighty-five and 64/100 (285.64) feet, the last four courses being by land now or formerly of Marie-An Real Estate Trust; thence N 02° 19' 24" E, one hundred seventy-two and71/100 (172.71) feet by land now or formerly of Joseph and Kathleen A. Sullivan; thence N 10° 37' 03" E, two hundred sixty-seven and 14/100 (267.14) feet by land now or formerly of Joseph A. and Mildred A. Kuntz and land now or formerly of Carmine and Anna Claudio; thence S 82° 59' 45" E, five hundred fifty-four and

19/100 (554.19) feet by land now or formerly of Needham; thence S 19° 42’ 19’ W, two hundred seventy-nine and 67/100 (279.67) feet by land now or formerly of Collie Recchuiti; thence S 44° 01’ 01” E, two hundred fifty-one and 60/100 (251.60) feet by land of Recchuiti; thence S 47° 11’ 30” W, two hundred fifty and 62/100 (250.62) feet by Depot Street; thence by a curve to the left, or radius five hundred twenty-three and 23/100 (523.23) feet a distance of one hundred and 15/100 (100.15) feet; thence by a curve to the left, of radius one hundred thirty-three and 75/100 (133.75) feet a distance of forty-four and 83/100 (44.83) feet to the point of beginning.

The above parcels of land are shown on a plan of land entitled “Plan of Land in Easton, Mass. Proposed Recreational Area” on file with the Town Clerk’s office,

or to take any other action relative thereto.

Submitted by Board of Selectmen

ARTICLE 15. To see if the Town will vote to appropriate a sum of money to purchase, to acquire by gift, or to take by right of Eminent Domain, and the expenses therefor, for Recreational purposes the following parcels of land:

PARCEL ONE: A certain parcel of land situated Westerly of Depot Street, purported to be owned by Marie-An-Real Estate Trust, and bounded and described as follows: Beginning at a point in the East line of Bay Street 503.39 ft., more or less, from the junction of Bay Street and Depot Street, the same being the N.W. corner of land of Arthur T. Lewis et ux, and running thence in a N. direction by said Bay St. 1123.41 ft. more or less to land now or formerly of Howard A. Richards; thence turning and runing E. partly by a wall and land of said Richards 659.08 ft. to a corner; thence turning and running in a S. direction 281.60 ft. to a corner; thence turning and running in a S.E. direction 50.72 ft. to the W. line of said Depot St.; thence turning and running in a S. direction by said Depot St. 988.77 ft., more or less, to a point and the N.E. corner of land of said Lewis et ux; thence turning and running in a W. Direction by land of said Lewis et ux 434.10 ft. to the point of beginning.

There is excepted from the above described parcel that portion that thereof which was conveyed to Frank L. Carlson, et ux, by deed dated October 24, 1959, recorded with Bristol Deeds Book 1336, page 244, and that portion thereof previously taken by the Town of Easton by an Order of Taking dated June 23, 1975 recorded with Bristol North District Deeds, consisting of about 19,184 square feet, shown as Parcel No. 2 on a plan of land entitled “Town of Easton 1975 Layout Depot Street, dated March, 1975”.

PARCEL TWO: A certain parcel of land situated Westerly of Depot Street, owned now or formerly by Charles T. and Marilyn E. Needham, and bounded and described as follows:

A parcel of land situated on the northwesterly side of Depot Street in Easton shown as Parcels "A", "B", "C", and "D" on a Plan of "Land in Easton, Massachusetts owned by Charles T. and Marilyn E. Needham and Parties Shown" dated May 19, 1978, which Plan is recorded in Book 172 Page 6. Said parcel being further bounded and described as follows: Beginning at a point in the westerly line of Depot Street at the southerly point of the parcel; thence N 48° 13' 36" W, seventy-one and 41/100 (71.41) feet; thence N 19° 29' 11" E, two hundred forty-three and 72/100 (243.72 feet; thence N 66° 54' 31" W, one hundred seventy-three and 18/100 (173.18) feet to a drill hole; thence N 86° 44' 20' W, two hundred eighty-five and 64/100 (285.64) feet, the last four courses being by land now or formerly of Marie-An Real Estate Trust; thence N 02° 19' 24" E, one hundred seventy-two and 71/100 (172.71) feet by land now or formerly of Joseph and Kathleen A. Sullivan; thence N 10° 37' 03" E, two hundred sixty-seven and 14/100 (267.14) feet by land now or formerly of Joseph A. and Mildred A. Kuntz and land now or formerly of Carmine and Anna Claudio; thence S 82° 59' 45" E, five hundred fifty-four and 19/100 (544.19) feet by land now or formerly of Needham; thence S 19° 42' 19" W, two hundred seventy-nine and 67/100 (279.67) feet by land now or formerly of Collie Recchuiti; thence S 44° 01' 01" E, two hundred fifty-one and 60/100 (251.60) feet by land of Recchuiti; thence S 47° 11' 30" W, two hundred fifty and 62/100 (250.62) feet by Depot Street; Thence by a curve to the left, of radius five hundred twenty-three and 23/100 (523.23 feet a distance of one hundred and 15/100 (100.15) feet; thence by a curve to the left, of radius one hundred thirty-three and 75/100 (133.75) feet a distance of forty-four and 83/100 (44.83) feet to the point of beginning.

and to determine whether the money shall be provided by taxation, by appropriation from available funds in the treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or to take any other action relative thereto.

Submitted by Board of Selectmen

ARTICLE 16. To see if the Town will vote to raise and appropriate a sum of money for consultant services, extra help and other expenses relative to revaluation as required by law and to determine whether the money shall be provided by taxation, by appropriation from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the Massachusetts General Laws, or take any other action relative thereto.

Submitted by Board of Assessors
Est. Cost. - $60,000

ARTICLE 17. To see if the Town will vote to authorize the School Committee to purchase, to acquire by gift, or to take by right of Eminent Domain for School purposes the parcels of land, with the buildings thereon, situated Westerly of Washington Street, in that part of Easton, known as "North Easton", owned now or formerly by Holy Cross Moreau Hall, Inc., and being numbered 360 Washington Street, or to take any other action relative thereto.

Submitted by Continuing School
Building and School Site Committee

ARTICLE 18. To see if the Town will vote to appropriate a sum of money to purchase to acquire by gift, or to take by right of Eminent Domain for School purposes the parcels of land, with the building thereon, known as Moreau Hall, and the expenses therefor, and to regularly equip said building, and to determine whether the money shall be provided by taxation, by appropriation from available funds in the treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or to take any other action relative thereto.

Submitted by Continuing School
Building and School Site Committee

ARTICLE 19. To see if the Town will vote to authorize the Board of Selectmen, acting for and in behalf of the Town, to purchase, to acquire by gift, or to take by right of Eminent Domain, the following parcels of land for the layout, alteration and relocation of Beaver Dam Road:

Parcel No. 1 consisting of 496.77 square feet, more or less, owned now or formerly by Kirk A. Moul et ux; Parcel No. 2 consisting of 294.83 square feet, more or less, owned now or formerly by Robert D. and Carla Ann Goodwin; Parcel No. 3 consisting of 114.37 square feet, more or less, owned now or formerly by Douglas J. and Lolita M. Jones; Parcel No. 4 consisting of 30.79 square feet, more or less, owned now or formerly by Charles E. and Diane P. LaPier; Parcel No. 5 consisting of 125.20 square feet, more or less, owned now or formerly by Paul M. and Cheryl A. Deeb; Parcel No. 6 consisting of 218.08 square feet, more or less, owned now or formerly by John R. and Ivy M. Pearson; Parcel No. 7 consisting of 310.96 square feet, more or less, owned now or formerly by Mario A. and Ryna M. Ferretti; Parcel No. 8 consisting of 403.83 square feet, more or less, owned now or formerly by Josephine F. Jurasek, Trustee; Parcel No. 9 consisting of 496.71 square feet, more or less, owned now or formerly by Harvey B. and Estelle J. Blackman; Parcel No. 10 consisting of 586.96 square feet, more or less, owned now or formerly by Francis E. Eisner et ux; Parcel No. 11 consisting of 927.96 square feet, more or less, owned now or formerly by Henry C. and Roberta M. Hobaica; Parcel No. 12 consisting of 551.54 square feet, more or less, owned now or formerly by Easton One Corp.; Parcel No. 13 consisting of 1004.25 square feet, more or less, owned now or formerly by George E. Ayers; Parcel No. 14 consisting of 542.92 square feet, more or less, owned now or formerly by Raymond A. and Christine R. Kelliher; Parcel No. 15, no taking; Parcel No. 16, no taking; Parcel No. 17, no taking; Parcel No. 18, no taking; Parcel No. 19, consisting of 242.33 square feet, more or less, owned now or formerly by Easton One Corp.; Parcel No. 20 consisting of 99.51 square feet, more or less, owned now or formerly by Easton One Corp.; Parcel No. 21 consisting of 72.98 square feet, more or less, owned now or formerly by Easton One Corp.; Parcel No. 22 consisting of 244.01 square feet, more or less, owned now or formerly by John R. and Libby K. Kay; Parcel No. 23 consisting of 445.72 square feet, more or less, owned now or formerly by Peter M. and Anne E. Lovely; Parcel No. 24 consisting of 885.39 square feet, more or less, owned now or formerly by John A. Fennessey, Trustee; Parcel No. 25 consisting of 364.58 square feet, more or less, owned now or formerly by Frank E and Emma L. Bradley; Parcel No. 26 consisting of 268.94 square feet, more or less, owned now or formerly by Michael A. and Joyce M. Sandler; Parcel No. 27 consisting of 221.57 square feet, more or less, owned now or formerly by Laurence J. and Elizabeth T. Kennedy; Parcel No. 28 consisting of 650.91 square feet, more or less owned now or formerly by Natural Resources Trust of Easton, Inc.;Parcel No. 29 consisting of 55.92 square feet, more or less, owned now or formerly by Roger Belanger, Trustee; Parcel No. 30, no taking; Parcel No. 31, no taking; Parcel No. 32, no taking; Parcel No. 33, no taking; Parcel No. 34, no taking; Parcel No. 35, no taking; Parcel No 36 consisting of 815.46 square feet, more or less, owned now or formerly by David C. and Barbara Titmas; Parcel No. 37 consisting of 866.44 square feet, more or less, owned now or formerly by John and Beverly A. Adams; Parcel No. 38 consisting of 697.84 square feet, more or less, owned now or formerly by Leslie E. and Lucille A. Mitton; Parcel No. 39 consisting of 709.25 square feet, more or less, owned now or formerly by James C. and Olymbia Zaros; Parcel No. 40 consisting of 720.66 square feet, more or less, owned now or formerly by James E. and Marilyn A. Ferrario; Parcel No. 41 consisting of 732.09 square feet, more or less, owned now or formerly by Richard T. and Victoria J. Lovell; Parcel No. 42 consisting of 815.74 square feet, more or less, owned now or formerly by Franklin J. and Julia C. Howard; Parcel No. 43 consisting of 504.57 square feet, more or less, owned now or formerly by Raymond F. and Helen B. Daly; as shown on a plan of land entitled "Beaver Dam Road, Town of Easton, Layout of 1979", on file with the Town Clerk's Office, or to take any other action relative thereto.

Submitted by Public Works

ARTICLE 20. To see if the Town will vote to authorize the Board of Selectmen, acting for and in behalf of the Town, to abandon certain parcels of land situated on Beaver Dam Road, to assist in the layout, alteration, and relocation of Beaver Dam Road, and to convey them to the abutters at no cost to them, with said parcels of land being described as follows:

Parcel No. 3 consisting of 0.16 square feet, more or less, abutted now or formerly by Douglas J. and Lolita M. Jones; Parcel No. 4 consisting of 23.09 square feet, more or less, abutted now or formerly by Charles E. and Diane P. LaPier; Parcel No. 14 consisting of 1.47 square feet, more or less, abutted now or formerly by Raymond A. and Christine R. Kelliher; Parcel No. 15 consisting of 721.31 square feet, more or less, abutted now or formerly by Thomas J. and Jacqueline M. Hunt; Parcel No. 12 consisting of 1770.44 square feet, more or less, abutted now or formerly by William J. and J. Elease Gloekler; Parcel No. 17 consisting of 1853.92 square feet, more or less, abutted now or formerly by William J. and J. Elease Gloekler; Parcel No. 18 consisting of 767.36 square feet, more or less, abutted now or formerly by Alfred J. and Alice Marie Grandy; Parcel No. 19 consisting of 21.77 square feet, more or less, abutted now or formerly by Easton One Corp.; Parcel No. 20 consisting of 19.47 square feet, more or less, abutted now or formerly by Easton One Corp.; Parcel No. 21 consisting of 66.12 square feet, more or less, abutted now or formerly by Easton One Corp.; Parcel No. 43 consisting of 188.29 square feet, more or less, abutted now or formerly by Raymond F. and Helen B. Daly as shown on a plan of land entitled "Beaver Dam Road, Town of Easton, Layout of 1979" on file with the Town Clerk's Office, or to take any other action relative thereto.

Submitted by Public Works

ARTICLE 21. To see if the Town will vote to appropriate a sum of money to purchase, to acquire by gift, or to take by right of Eminent Domain, the parcels of land as shown on a plan of land entitled "Beaver Dam Road", Town of Easton, Layout of 1979, on file with the Town Clerk's Office, and more particularly described in Article 19, and the expenses therefor for the layout, alteration and relocation of Beaver Dam Road, and to determine whether the money shall be provided by taxation, by appropriation from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or to take any other action relative thereto.

Submitted by Public Works

ARTICLE 22. To see if the Town will vote to accept the Layout of Beaver Dam Road and its related easements as made by the Board of Selectmen in a formal Order on file with the Town Clerk's Office, and as shown on a plan of land entitled "Beaver Dam Road, Town of Easton, Layout of 1979" on file with the Town Clerk's Office, or to take any other action relative thereto.

Submitted by Public Works

ARTICLE 23. To see if the Town will vote to authorize the Board of Selectmen acting for and in behalf of the Town to purchase, to acquire by gift, or to take by Eminent Domain a public easement for drainage purposes, in a certain strip of land twenty (20) feet in width, parallel with the northerly boundry line, westerly from Bay Road, so called, two hundred (200) feet, more or less, on the land of Anthony D. Fontes, Jr. and Barbara L. Fontes, situated on Lot 31A, Assessor's Map Sheet R-7, for the public convenience and to insure the proper drainage of Bay Road and Summer Street, said strip of land being owned now or formerly by Anthony D. Fontes, Jr. and Barbara L. Fontes, or to take any other action relative thereto.

Submitted by Public Works

ARTICLE 24. To see if the Town will vote to appropriate a sum of money to purchase, to acquire by gift, or to take by Eminent Domain, a public easement for drainage purposes, and the expenses therefor, in a certain strip of land twenty (20) feet in width, parallel with the northerly boundry line, running westerly from Bay Road, so called, two hundred (200) feet, more or less, on the property of Anthony P. Fontes, Jr. and Barbara L. Fontes situated on Lot 31A, Assessor's Map Sheet R-7, for the public convenience and to insure the proper drainage of Bay Road and Summer Street, said strip of land being owned now or formerly by Anthony P. Fontes, Jr. and Barbara L. Fontes; and to determine whether the money will be provided by taxation, by appropriation from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or to take any other action relative thereto.

Submitted by Public Works
Est. Cost - $800.00

ARTICLE 25. To see if the Town will vote to amend the by-laws of the Town by repealing Article XIII (Establishment of Town Collector) in its entirety, and substituting therefor the following new Article XIII.

ARTICLE XIII TREASURER AND COLLECTOR

a.The Town Treasurer shall be appointed by the Town Administrator, pursuant to the provisions of the Easton Charter, and in addition shall act as the Collector of Taxes.

b.The Town Treasurer and Collector of Taxes shall perform the duties specified in sections 35, 36 and 37 of Chapter 41 of the General Laws.

c.The Town Treasurer acting as the Collector of Taxes shall collect under the title of Town Collector, all accounts due the town which are committed to him and shall maintain a suitable permanent record thereof. Said accounts shall be abated only on the written request of the officer or department committing the same to said Town Collector.

or to take any other action relative thereto.

Submitted by Board of Selectmen

ARTICLE 26. To see if the Town will vote to appropriate a sum of money to pay for the yearly salary of the Treasurer and Collector of Taxes, and to determine whether the money shall be provided by taxation or by appropriation from available funds in the treasury, or to take any other action relative thereto.

Submitted by Board of Selectmen
Est. Cost - $18,000

ARTICLE 27. To see if the Town will vote to appropriate a sum of money for the purpose of obtaining additional clerical help to be used in the Treasurer's or Collector's Office, and to determine whether the money will be provided by taxation or by appropriation from available funds in the treasury or to take any other action relative thereto.

Submitted by Board of Selectmen
Est. Cost - $10,850

ARTICLE 28. To see if the Town will vote to appropriate a sum of money for the following purposes: to engineer and construct a new well and appurtenances at Hicks' Pit off Red Mill Road; to purchase and install approximately 300 water meters; to convert the auxiliary engine at Well Pumping Station No. 2 to propane power; and to institute research to determine the extent of the depression cones of Well Pumping Station No. 2 and No. 4; to determine whether this sum shall be raised by borrowing or otherwise; or to take other action relative thereto.

Submitted by Dept. Public Works
Est. Cost - $290,500

ARTICLE 29. To see if the Town will vote to appropriate a sum of money consisting of the balance remaining from funds appropriated at the May, 1976 Annual Town Meeting under Warrant Article #33 for Water Department purposes for the following purpose, to provide and install a 16" water main and appurtenant work from Washington Street to the existing 12" water main from pumping station #4., or to take any other action relative thereto.

Submitted by Dept. Public Works

ARTICLE 30. To see if the Town will vote to accept the interim Report of the Board of Selectmen concerning programs and goals being developed to control the growth of the town pursuant to action taken under Article 4 of the Warrant for the 1979 Annual Town Meeting, and to extend the time to complete plans for such comprehensive programs and goals until the Annual Town Meeting of 1981, or to take any other action relative thereto.

Submitted by Board of Selectmen

ARTICLE 31. To see if the Town will vote to appropriate a sum of money for preliminary engineering for the reconstruction of Main Street and appurtenances, and to determine whether the money will be provided by appropriation from available funds in the treasury or by taxation, or to take any other action relative thereto.

Submitted by No. Easton
Business District Adv. Committee
Est. Cost - $3,500

ARTICLE 32. To see if the Town will vote to appropriate a sum of money to pay salaries and other related costs for the addition of eight permanent firefighters for the Easton Fire Department and to determine whether the money shall be provided by taxation or by appropriation from available funds in the Treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or take any other action relative thereto.

Submitted by Fire Dept.
Est. Cost - $99,200

ARTICLE 33. To see if the Town will vote to accept the provisions of Section 26-C of Chapter 148 of the General Laws, of the Commonwealth of Massachusetts, which provides that in any town which accepts said section 26-C, apartment houses containing six or more dwelling units, hotels, boarding or lodging houses, or family hotels which are not regulated by sections 26-A and 26-B shall be equipped with an automatic smoke or heat detector in each dwelling unit and each hallway floor, with the provisions of the section to be enforced by the head of the Fire Department, or to take any other action relative thereto.

Submitted by Fire Department

ARTICLE 34. To see if the Town will vote to amend the by-laws of the Town by repealing Article XXIII in its entirety and substituting therefor the following new Article XXIII:

Article XXIII Public Consumption of Alcoholic Beverages

A. DEFINITIONS: The following words as used in this Article unless the context otherwise requires, shall have the following meanings:

1. PUBLIC WAYS: All ways to which the public has the right of access.
2. PARKS: Any public park under the care and control of the town.
3. TOWN FOREST: Any town forest under the care and control of the town.
4. PLAYGROUND: Any playground under the care and control of the town.
5. BEACH: Any beach under the care and control of the town and beaches within the limits of the town to which the public has a right of access.
6. CONSERVATION LAND: Any conservation land under the care and control of the town.
7. PUBLIC PARKING AREAS: Any public parking area under the care and control of the town.
8. PRIVATE PARKING AREAS: Any private parking area throughout the town to which the public has the general right of access.

B. No person shall drink or consume alcoholic beverages as defined in Chapter 138, Section 1 of the General Laws while on, in or upon the public ways and places set forth in A above, whether in or upon a vehicle, motor vehicle or on foot or place to which members of the public have access as invitees or licensees, or park, town forest, public parking areas, or playgrounds, or any beach within the limits of the town to which the public has a right of access, or private land or place without the consent of the owner or person in control.

C. EVIDENCE OF VIOLATION: Possession of an open can, bottle or other container which upon analysis by the Department of Public Health, is determined to contain an alcoholic beverage, as defined in Chapter 138, Section 1 of the General Laws, shall be prima facie evidence of drinking or consuming said alcoholic beverage. All alcoholic beverages being used in violation of this section shall be seized and safely held until final adjudication of the charge against the person or persons arrested or summoned before the court.

D. ARREST: A Police Officer may arrest without a warrant anyone who violates this Article. Whoever violates any provisions of this Article shall be liable to a penalty of not more than fifty ($50.00) dollars for each violation.

or to take any other action relative thereto.

Submitted by Board of Selectmen

ARTICLE 35. To see if the Town will vote to amend the By-laws of the Town by repealing Sections 4 and 5 of the Article 1, Town Meetings, and substituting therefor the following new Sections 4 and 5 of said Article:

Section 4. At a special meeting of the Town, there will be no quorum requirements, with the exception that one hundred registered voters shall be required to commence such meeting.

Section 5. At an annual Meeting of the Town, there will be no quorum requirements, with the exception that one hundred registered voters shall be required to commence such meeting.

or to take any other action relative thereto.

Submitted by Board of Selectmen

ARTICLE 36. To see if the Town will vote to amend the by-laws of the Town by repealing section 1, of Article 1, and substituting therefor the following new section 1, of Article 1:

Section 1. The annual Town Meeting shall be held on the second Monday of April in each year.

or to take any action relative thereto.

Submitted by Finance Committee

ARTICLE 37. To see if the Town will vote to amend the by-laws of the Town by adding the following new section to Article 1, entitled "Section 1-a":

Section 1-a. The annual Town election shall be held on the 4th Monday in April in each year.

or to take any action relative thereto.

Submitted by Finance Committee

ARTICLE 38. To see if the Town will vote to authorize the Board of Selectmen to enter into an agreement pursuant to the provisions of General Laws, Chapter 40, section 4A, with "Project Spoke", an Educational Collaborative existing under Articles of Agreement executed by the School Committees of Easton, Foxborough, Mansfield and Norton, to obtain Data Processing Services for the various departments, committees or offices of the Town, or to take any other action relative thereto.

Submitted by Board of Selectmen

ARTICLE 39. To see if the Town will vote to appropriate a sum of money to be expended by the Public Works Department for a program of aerial spraying to contol gypsy moths and to determine whether the money shall be provided by taxation or by appropriation from available funds in the Treasury, or by taxation, or to take any other action relative thereto.

Submitted by Public Works
Est. Cost - $7,000

ARTICLE 40. To see if the Town will vote to amend the By-laws of the Town by inserting a new Article 29 after Article 28 which will provide as follows:

ARTICLE 29 - WETLAND PROTECTION

1. The purpose of this by-law is to protect the wetlands of the Town of Easton by controlling activities deemed to have a significant effect upon wetland values, including but not limited to the following: Public or private water supply, groundwater, flood control, erosion control, storm damage, water pollution, fisheries, wildlife, recreation, and esthetics. No person shall remove, fill, dredge, or alter any bank, fresh water wetland, flat, marsh, meadow, bog, swamp, or lands bordering on any estuary, creek, river, stream, pond or lake, or any land under said waters or any land subject to flooding, other than in the course of maintaining, repairing or replacing, but not substantially changing or enlarging, an existing and lawfully located structure or facility used in the service of the public and used to provide electric, gas, water, telephone, telegraph and other telecommunication services, without filing written notice of his intention so to remove, fill, dredge or alter and without receiving and complying with an order of conditions, and provided all appeal periods have elapsed. Such notice shall be sent by certified mail to the Easton Conservation Commission, including such plans as may be necessary to describe such proposed activity and its effect on the environment. The same notice, plans and specifications required to be filed by an applicant under Massachusetts General Laws, Chapter 131, Section 40, will be accepted as fulfilling the requirements of this by-law. The said Commission, in its discretion, may hear any oral presentation under this by-law at the same public hearing required to be held under the provisions of said Chapter 131, Section 40, of the Massachusetts General Laws. Definitions, time frames, and procedures, insofar as applicable, set forth in said Chapter and section and in the Regulations promulgated by the Department of Environmental Quality Engineering on July 28, 1978 are hereby made a part of this by-law, with the exception that all local permits must first be obtained.

2. The term "person", shall include any individual, group of individuals, association, partnership, corporation, company, business organization, trust, estate, the Commonwealth or political subdivision thereof, administrative agency, public or quasi-public corporation or body, or any other legal entity or its legal representative, agents or assigns.

3. The Commission shall make a determination as to whether or not this by-law applies to a specific situation prior to the filing of a written notice of intent under the provisions hereof, within ten days of the receipt of a written request sent by certified mail from any person desiring such determination. The Commission, its agent, officers and employees, may enter upon the land upon which the proposed work is to be done in response to a request for a prior determination or for the purpose of carrying out its duties

under this by-law and may make or cause to be made such examination or survey as deemed necessary.

4. The Conservation Commission is empowered to deny permission for any removal, dredging, filling, or altering of subject lands within the town if, in its judgment, such denial is necessary to preserve environmental quality of either or both the subject lands and contiguous lands. Due consideration shall be given to possible effects of the proposal on all values to be protected under this by-law and to any demonstrated hardship on the Petitioner by reason of a denial, as brought forth at the public hearing.

5. The Commission may, as an alternative to a denial, impose such conditions, as it deems necessary to contribute to the protection and preservation of subject lands in accordance with the purposes of this by-law. Any Order of Conditions issued under this by-law shall be subject to the same constraints and be identical to any such order issued by the Easton Conservation Commission under the provisions of Massachusetts General Laws, Chapter 131, Section 40.

6. The notice required by the first paragraph of this by-law shall not apply to emergency projects necessary for the protection of the health or safety of the citizens of Easton and to be performed or ordered to be performed by an administrative agency of the Commonwealth or by the Town. Emergency projects shall mean any projects certified to be an emergency by the Commissioner of the Department of Environmental Quality Engineering and the Conservation Commission if this by-law and Massachusetts General Laws, Chapter 131, Section 40, are both applicable, or by the Conservation Commission if only this by-law is applicable. In no case shall any removal, filling, dredging or alteration authorized by such certification extend beyond the time necessary to abate the emergency, or to take any other action relative thereto.

Submitted by
Conservation Commission

ARTICLE 41. To see if the Town will vote to appropriate a sum of money to reimburse the Conservation Commission Fund previously established under the provisions of Chapter 40, section 5 of the General Laws, for money expended to purchase a certain parcel of land situated northerly of Chestnut Street, owned now or formerly by Mary McClurg, consisting of five acres, more or less, shown as the second tract of land in a deed conveying said land from George McClurg to Mary McClurg, dated February 6, 1975, recorded with Bristol County Northern District Registry of Deeds, Book 1675, pages 44 and 45, and to determine whether the money shall be provided by taxation, by appropriation from available funds in treasury or by borrowing under the provisions of

Chapter 44 of the General Laws, or to take any other action relative thereto.

Submitted by
Conservation Commission
Est. Cost - $2,800

ARTICLE 42. To see if the Town will vote to authorize the Board of Selectmen, acting for and in behalf of the Town, to purchase, acquire by gift, or to take by right of Eminent Domain, for Highway purposes a certain parcel of land consisting of 5,150 square feet, owned now or formerly by Louis A. Baynes and Nancy J. Baynes, husband and wife, situated easterly of Center Street, in that part of Easton called North Easton, shown as parcel 3 on a plan of land entitled "Plan of Land in Easton, Mass., owned by Mathew A. Welch, dated February 8, 1972" recorded with Bristol County Northern District Registry of Deeds, Plan Book 160, page 39 or to take any other action relative thereto.

Submitted by Board of Selectmen

ARTICLE 43. To see if the Town will vote to authorize the Board of Selectmen to petition the legislature to enact a Special Act to exempt the Town of Easton from the provisions of Chapter 471 of the Acts of 1972, which requires cities and towns to join a Veterans Service District or appoint a full-time Veterans' Agent, at the end of the term of a part time Veterans' Agent, and to allow it to appoint a Part Time Veterans' Agent to replace the Part Time Veterans' Agent who has recently retired from such position, with said position of Veterans' Agent to continue to be classified as a part time position, or to take any other action relative thereto.

Submitted by Board of Selectmen

ARTICLE 44. To see if the Town will vote to accept Mockingbird Lane as a public way from Station 0+20 to Station 4+60 as shown on a plan of land entitled "Definitive Plan of Land in Easton, Bristol County, Mass." in Easton, Mass., by Roy C. Anderson, Jr. dated April 13, 1971 and approved by the Planning & Zoning Board on August 3, 1971 and recorded in the Bristol County Northern District Registry of Deeds, Plan Book 126, pages 45-46. The acceptance of said street is contingent upon the owner of said street conveying the Deed to the land by way of "Deed of Gift" to the Town within sixty (60) days of the vote of such acceptance, and the said Deed to be deposited at the Selectmen's Office with an as-built plan of said land suitable for recording at the Bristol County Northern District Registry of Deeds, together with a payment to the Town covering all recording fees and costs of such instruments at the Registry.

By Petition

ARTICLE 45. To see if the Town will vote to accept Pheasant Lane as a public way from Station 0 + 00 to Station 3 + 18.00 as shown on a plan of land entitled "Summer Heights" in Easton, Mass., by Hayward-Boynton & Williams, Inc. dated April 4, 1972 with revisions dated June 20, 1972 and approved by the Planning & Zoning Board on July 12, 1972 and recorded in the Bristol County Northern District Registry of Deeds, Plan Book 132, pages 47-52. The acceptance of said street is contingent upon the owner of said street conveying the Deed to the land by way of "Deed of Gift" to the Town within sixty (60) days of the vote of such acceptance, and the said Deed to be deposited at the Selectmen's Office with an as-built plan of said land suitable for recording at the Bristol County Northern District Registry of Deeds, together with a payment to the Town covering all recording fees and costs of such instruments at the Registry.

By Petition

ARTICLE 46. To see if the Town will vote to accept Friends Road as a public way from approximately Station 30+00.00 to approximately Station 41+85.67 as shown on a plan of land entitled "Definitive Plan for Friends Community - Road Layout" in Easton, Mass., by I. J. McCann Associates, Inc., dated November 14, 1978 and approved by the Planning & Zoning Board on November 15, 1978 and recorded in the Bristol County Northern District Registry of Deeds, Plan Book 175, pages 8-15. The acceptance of said street is contingent upon the owner of said street conveying to the Town either a Deed to the land by way of "Deed of Gift" or an easement within sixty (60) days of the vote of such acceptance, and the said Deed or easement to be deposited at the Selectmen's Office with an as-built plan of said land suitable for recording at the Bristol County Northern District Registry of Deeds, together with a payment to the Town covering all recording fees and costs of such instruments at the Registry.

By Petition

ARTICLE 47. To see if the Town will vote to accept Mahoney Road as a public way from approximately Station 10+00.00 to approximately Station 16+31.29 as shown on a plan of land entitled "Definitive Plan for Friends Community - Road Layout" in Easton, Mass., by I. J. McCann Associates, Inc., dated November 14, 1978 and approved by the Planning & Zoning Board on November 15, 1978, and recorded in the Bristol County Northern District Registry of Deeds, Plan Book 175, pages 8-15. The acceptance of said street is contingent upon the owner of said street conveying to the Town either a Deed to the land by way of "Deed of Gift" or an easement within sixty (60) days of the vote of such acceptance, and the said Deed or easement to be deposited at the Selectmen's Office with an as-built plan of said land suitable for recording at the Bristol County Northern District of Deeds, together with a payment to the Town covering all recording fees and costs of such instruments at the Registry.

By Petition

ARTICLE 48. To transact any other business that may legally come before said meeting.

And you are directed to notify and warn the inhabitants of the Town of Easton qualified to vote in election, residing in Precinct One to meet at the Easton Junior High School Gymnasium; and those residing in Precinct Two to meet at the Easton Junior High School Gymnasium; those residing in Precinct three to meet at the Center School on Saturday, May 17, 1980 at 8:00 in the forenoon to bring in their votes all on one ballot for two Selectmen for terms of three years; one member of the Board of Assessors for a term of three years; one member of the Board of Health for a term of three years; five members of the Finance Committee for terms of three years; three members of the Finance Committee for a term of one year; two members of the Finance Committee for terms of two years; one member of the School Committee for a term of two years; two school committee members for terms of three years; one member of the Housing Authority for a term of five years, and to vote on the following question:

QUESTION: "Shall the town vote to accept the provisions of the section thirteen of Chapter two hundred and fifty-eight of the General Laws which provides that the town shall indemnify and save harmless municipal officers, elected or appointed, from personal financial loss and expense including reasonable legal fees and costs, if any, in an amount not to exceed one million dollars, arising out of any claim, demand, suit or judgment by reason of any act or omission except an intentional violation of civil rights of any person under any law, if the official at the time of such act or omission was acting within the scope of his official duties or employment?"

A fair and concise summary of section thirteen of Chapter two hundred and fifty-eight of the General Laws is as follows: Any town which accepts this section by majority vote in answer to the above question placed on the official ballot used for the election of town officers, and being part of the annual town meeting, shall indemnify and hold harmless municipal officers, elected or appointed, from personal financial loss and expense, including legal fees and costs, in an amount not to exceed one million dollars, resulting from any claim or legal action made because of any act or omission, except an intentional violation of civil rights, if the municipal official was at the time of the act or omission acting within the scope of his official duties or employment.

The polls will be open at 8:00 a.m. and shall be closed at 8:00 p.m.

You are directed to serve this Warrant by posting attested copies thereof, one at each meeting house and post office in said Town, and one at the Oliver Ames High School Auditorium, and one at the Town Office, seven days at least before the time of holding said meeting.

Hereof fail not, and make due return of this Warrant with your doings thereon to the Town Clerk at the time and place of holding said meeting, and said Town Clerk is hereby required to make return of this Warrant to the Warden or Deputy Warden at the time and place of holding said meeting for the election of officers, and said Warden is hereby required to make return of this Warrant to the Town Clerk together with his return of officers elected at the close of said meeting.

Given under our hands this 16th day of April in the year nineteen hundred and eighty.

Donald E. Anderson, Chairman

Richard W. Martin, Clerk

James D. Mullen, Jr.
